# ROUND OUT THE LANGUAGE PROGRAM

SISTER M. PAULINUS, S.S.N.D.

Religion II, Latin I and II, Spanish I; Sacristy, Junior Classical League, Spanish Club - "Tu Reinaras."

Pictures of Spain and its customs help the Spanish I class to get a better appreciation of the life of a true Spaniard.

Unless the student has a firm foundation in grammar and composition it is impossible for him to succeed in his other studies. To aid him in aiming for this goal such courses as developmental reading and remedial English bring him up to par while the regular English courses compel him on to further learning. Latin and Spanish afford an insight into the basis of much of our language.

BROTHER J. GEORGE, F.S.C.

Religion I, Latin I and II, English IV; Speech, Senior Play, Yearbook Photography, Benildus Club.

Joseph Bode and Donald Gotham concentrate as Brother George goes through an explanation in Latin II.

Monsignor Charles Patterson instructs the senior girls as to how to prepare for their future vocation in life.

The junior girls receive an explanation of the workings of the Holy Spirit in their souls from Reverend Frank Simoni.

## RELIGION UNIFIES THE CURRICULUM

"Whatever you do, do all in the name of Our Lord Jesus Christ." Using this as a standard, the students at Helias offer all their work for the glory of God. Both the teachers and the religious instructors do their best to instill this principle into the students. By learning the truths of their religion more thoroughly, the boys and girls make them an integral part of themselves

so that when they leave they will be able to exert a beneficial influence on society. The learning of the consequences, both spiritual and physical, of moral wrong helps the students to get a clearer understanding of the reason for the civil laws and their enforcement and prepares them to be conscientious in observing them and in influencing others to do so.

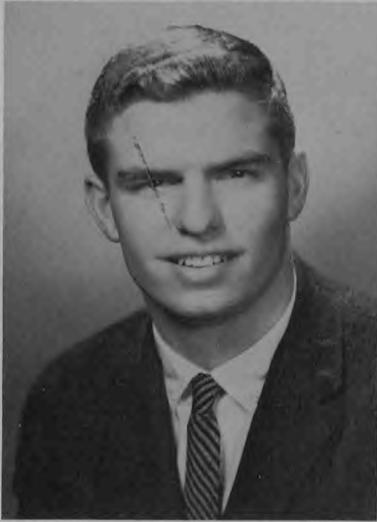

Reverend Norman Aherns tells the sophomore girls more concerning the life of Christ so that they will be better able to follow His example in their own lives.

Basic truths of religion contained in the creed and in the deposit of faith are the subject matter of Reverend James Fuemmeler's instructions to the freshman girls.

Speaking with Jerry Linton after the assembly are: John Rudder, Don Gerling, Helen Brandt, Jerry, Leon DeLassus and Sharon Henson.

Youth Appreciation Week, November 14-20, sponsored by the Jefferson City Optimist Club brought Jerry Linton, a Senior at Missouri University, to Helias for a very inspiring assembly. One of the inspiring features was the fact that Jerry came from Chillicothe, a small town in Missouri and, despite the many handicaps, has achieved success in many projects.

Using as his theme, "How tall are you?", Jerry gave ten yardsticks, including personality, cheerfulness, kindness, and living in the presence of God, with which to measure ourselves in our mode of living.

## SUBSCRIPTION DRIVE AIDS MISSIONS

Donna Stockman proudly shows her lovely wrist watch to her friend, Kathy Loehner.

The 1960 mission project in the girls' department took the form of a Catholic Digest subscription drive. Thanks to the drive the Notre Dame missions are nine hundred dollars richer.

Top saleslady was Barbara Castaldi, who chose a set of luggage as her reward. Second highest was Donna Stockman, whose prize was a wrist watch. Other prizes ranged from cameras to plush animals. Since 1960 was election year, the donkey and elephant were quite popular.

## 1960 N.E.M.O. FOOTBALL CHAMPIONS

Helias built another Conference Champion Team with the help of Coach Jack Schnieders and his assistant, Coach Jim Rackers. The 1960 Varsity continued the precedent set by their former teammates by capturing the NEMO Conference Trophy for the fourth straight year. Heart-break and disappointment came to both team and followers when the winning streak of 32 games was ended by their loss to C. B. C. (St. Louis). Undaunted by the loss, the team came back to complete the season successfully.

# HELIAS COACH HONORED

THE NEW WORLD of Chicago chose Jack Schnieders as Catholic "Coach of the Year." Coach Schnieders has worked long and hard with the boys through the years. Until Oct. 14, 1960, the teams had a winning streak of 32 games. However, after their first loss in three and one-half seasons, Coach saw the boys through the loss and brought them back to start a new winning streak.

Coach Jack Schnieders and his assistant, Coach Jim Rackers, view movies of the games to check flaws in technique.

Since Helias High came into existence in 1956 its athletic teams have captured the NEMO conference titles and this year was no exception. Coach Fred Wehking and his assistant, Coach J. Schnieders strove to teach the boys not only the techniques of the game but also good sportsmanship and character.

## ACTION ON THE COURT

Barry makes good with a one-hander.

Heisler scores again.

# TRACK TEAM PLACES FIRST IN

Early in the training period Coach Jim Rackers felt he would be developing character only, but, true to form in Helias determination and urge to get ahead, the team shaped up into another conference winning team and ended up a winner in the district, also. While the team finished fifth in the state meet, Leon DeLassus chalked up ten points for the highest individual score of the meet.

Francis Luebbert takes the high hurdles with the same ease that a bird soars through the air as he adds points to the Helias's team score.

Don Suthoff comes to the edge of the circle before he gives that essential last thrust to the discus.

Mark Dulle takes the low hurdles in stride as he does his part in

Bob Hentges takes the baton and picks up Bill Borgmeyer's steady pace in the mile relay as Coach Wehking clocks the time on the side lines.

# GOLF TEAM WINS DISTRICT TROPHY

A predominately rookie team captured an unexpected win over the favored Senior High team in the district meet. The skill and experience of Brother Francis plus the hard work and determination of the team members added up to this success, bringing the story of Helias's sports to a grand and glorious close. Shortly after the district meet the team went on to the state meet where they placed fourth.

Bob Leslie and Kenneth Kuebler proudly display the district trophy.

# ENSEMBLES EARN HONOR RATINGS

Members of the quartet are, from left to right: Ann Shockley, Rosemary Voracek, Martha Preuss, and Suzanne Dulle.

The District Musical Festival held at Rolla, April 9, proved to be a great day for the choral ensembles. The special chorus, composed of about fifty girls, was awarded the top rating, as were the quartet, sextet, and soloist, Martha Preuss. Later in the spring, the sextet, quartet, and soloist competed in the State Musical Festival, held at Missouri University. Once again the sextet received top honors, while the quartet and soloist received ratings of II.

The choral accomplishments of the year were climaxed in the grand and glorious Spring Concert held in the gymnasium, May 11. Some of the features of the concert were: religious numbers by the Senior and Junior girls; selections from Oklahoma by the Freshman girls; selections from Brigadoon by the Sophomore girls. Between the group numbers, the Madrigal singers and a group of music students from Lincoln University delighted the audience.

Members of the sextet are, from left to right: Marilyn Distler, Susan England, Emily Frank and Rose Vogel. Left insert, Sharon Ovaitt. Right inset, Janet Berendzen.

# JUNIOR-SENIOR PROM

Using the theme of CINDERELLA, the Junior artists depicted scenes from the fairy tale and simulated the effect of viewing the scenes through windows. At the stroke of twelve by the big, glittered clock "Miss Cindy" was announced and presented with a bouquet of long-stemmed, red roses. Previous to the prom "Miss Cindy" was chosen by popular vote of all the Juniors.

"Miss Cindy," Judy Eckerle, together with her "Prince Charming," Jim Bob Kolb, stop to pose by the big clock.

The grand march will be among the memories of the prom since it went off just like clock-work.

Everyone seemed to enjoy the program dances because they brought together many couples previously unacquainted.

In order to encourage outstanding achievement, the Exchange National Bank awards to the highest ranking or high ranking student in each department a certificate for \$25 which will be deposited to his credit. Since this award is never made to the same student twice, over a period of four years four deserving students receive the award.

In the boys' department the Central Missouri Trust Bank makes an award to a student in each year that shows the most improvement. In the girls' department only one such award is presented. This \$25 certificate is an incentive to many to try their best even though they may not be at the head of their class.

Brother L. Thomas, Ph.D., dean of Christian Brothers College in Memphis and commencement speaker said,

"We can't promise that you young men will never have to go onto the battlefield, or that you young women won't have to suffer the hardships of war.

"It is important that you be willing to die fighting evil, but it is equally important that you will be willing to live to propagate good."

The completion of the long road of education is realized as the graduates receive their diplomas from Right Reverend Monsignor Joseph Vogelweid.

Following the injunction, "it is more blessed to give than to receive," the students brought food to be distributed to the poor in an effort to make some less fortunate family a little happier at Christmas. About forty baskets and boxes of food were distributed to needy families. Thanks enough were the grateful expressions of the recipients.

Preparing to deliver the baskets are: Jerry Parris, Larry Williams, and Larry Hentges.

## VISITS HELIAS

A visit from Bishop Frederick Hall from the diocese of Kenya, East Africa, acquainted the students with the customs and needs of his African parishioners. Much is being done in his diocese to prevent blindness among the children and also to try to better general living conditions.

Speaking with the bishop are: Don Robinson, Allan Lepper, Dorothy Talken, Joyce Prenger and Judy Mertens.

Spiritual benefits and graces in abundance came as the result of the annual retreat just prior to the Thanksgiving holidays. Time out for a spiritual check-up gave the students a chance to view themselves as God sees them and to make sure that they were traveling on the right road to their eternal salvation.

Dave Summers and Bob Mertens put their free time to profitable use by doing some timely spiritual reading.
