Dedication

MRS. ANGELA EVEN

Fatima High School lost one of its most loyal friends upon the death of Mrs. Angela Even on September 23, 1963. She was employed as secretary to the school and to the Board of Education at the time the school district was reorganized in 1949. Mrs. Even filled this most responsible position very capably until her health began to decline more than a year ago. She was very interested in school activities and was always present although this was not a part of her job as secretary.

Mrs. Even was a cheerful person who never complained. School employees, faculty members, and former students of Fatima High as well as the student body will remember that in the days when she enjoyed good health, Mrs. Even always had a joke to tell to make people laugh. She loved people and laughter.

Mrs. Even has been a part of the school for so many years that she will be sorely missed by everyone and it will be difficult to find someone who will be as conscientious and loyal to Fatima High School as she was.
