DEDICATION

To MISS STELLA HELDMAN, whose sincere effort and devotion to work along with a cheerful, broad-minded philosophy, has made her not only a credit to literary education but a true friend to all who know her. It is to her that we dedicate this issue of the Marcullus.

BOARD OF EDUCATION.

Top row: MR. GORDON, President; MR. BURKEL, Vice-President; MISS LANGERHANS, Secretary;
MISS ANDRAE, Treasurer

Lower row: MR. BASSMAN, MRS. OAKERSON; MR. QUIMBY

The Board of Education is always vitally interested in worthwhile school projects. We consider the publication of the *Marcullus* to be one of the outstanding accomplishments of our schools because it portrays life in the Junior College. The Board of Education congratulates the staff, the advisers, and the student body upon the completion of this splendid annual. It will serve as a constant reminder to you of your pleasant days spent at work and play in the Jefferson City Junior College. You may be assured the members of the Board of Education will examine the contents of this book with interest.

THORPE J. GORDON,
President of the Board of Education.

THE SUPERINTENDENT

Mr. Crow has been with us only two short years. Yet most of us feel we have known him a long time. He has taken an interest in all school activities and always has a word of greeting and a friendly smile to those who meet him. It is a pleasure to have such a man in our school system. We sincerely hope that his stay with us in the future will be as pleasant as in the past.

THE DEAN

Mr. Wardlaw entered J.C.J.C. two years ago and from that time to this, we feel certain that our school has been run on as fair and democratic basis as is humanly possible. The Dean has always gone out of his way to make things easier and more pleasant for all of us. The sincere interest and open enthusiasm in which he has supported all school activities should fill us with the pride that here in our school, we have not only an efficient and capable Dean but also as fine a man that can be found.

THE REGISTRAR

Although Miss Mary Louise Walther has been with us only one year as registrar, she has proved to be very efficient. She not only is a capable secretary but a friend to every student in Jefferson City Junior College. Because of her desire to help and advise, she is loved by all the student body.

THE UPPER DIVISION HISTORY

An energetic class of freshmen entered Jefferson City Junior College in 1945 and combined with the wise sophomores to form one of the most progressive upper divisions there has ever been in this school. Many students entered from other schools and soon became ambitious members of our school.

The sponsors of the class were Miss Carol Green and Miss Jean Robertson, who did much to see that the class was one of the best. The two classes formed one organization. The officers elected were Alice Frye, president; Virginia Weigel, vice-president; and Patsy Bryant, secretary-treasurer. These students worked hard to serve their school and their class. Twelve students were elected members of the Student Council.

At the beginning of school the college enrollment numbered forty. However, during the first semester and at the beginning of the second semester, nineteen veterans entered school, making our upper division the largest in several years. These new students were cooperative, hard-working members of the school.

This class was active in school activities and organizations including the Student Council, International Relations Club, Red and Black, Phi Theta Kappa, and Delta Gamma Theta. The class also had its share of fun in extracurricular activities including a superb wiener roast and a very delightful party.

Now, though the sophomores prepare to leave this dear old school, the freshmen still look forward to one more wonderful year at Jefferson City Junior College.

The year 1945-46 saw an increase in the enrollment of Jefferson City Junior College because of the nineteen veterans who entered school. These boys, many of whom had attended high school here but were called upon to fight for our country, were welcomed back to school to continue where they had left off. They quickly adjusted themselves to school life and became industrious and enthusiastic students.

The two veterans who came during the first semester entered several weeks late; but they showed their ability and ambition by becoming members of Phi Theta Kappa, the college honor society. We believe some of the others will also become members of this organization.

At the beginning of the second semester several veterans were elected members of the Student Council. They have shown great interest in the activities of the school. They are also interested in the extracurricular activities of the upper division and have cooperated in every way to make any project we have undertaken a success.

All the college students agree that the veterans constitute a definitely valuable addition to Jefferson City Junior College.

SENIOR CLASS HISTORY

The history of our proud class of '46 began in 1942 when we entered Simonsen High School as freshmen. We were an eager, curious and vivacious "mob," and nothing escaped our eye if we could help it.

Strangely enough, our boys were very shy when it came to asking girls to dance. In trying to improve this situation, a series of Tea Dances were given throughout the ninth and tenth grade, but they still haven't outgrown their shyness when it comes to dancing.

We became drama conscious as sophomores and produced "Don't Take My Penny," which was a huge success.

In the spring of 1944 we took over Simonsen for a day; this will be long remembered as "Student Day" by the members of our class who decided either for or against teaching as a profession.

Our class presidents since the ninth grade have been, Bill McDermott, Jack Holmes, Allen Fischer, and Charlaine Tweedie; Ralph Stone has been president of the Simonsen student body as well as the student body of J. C. J. C.

In September of 1944 we entered new halls of learning when we enrolled as juniors at the Jefferson City Junior College. We felt very proud and very "grown up" to be members of the student body of such an outstanding institution.

In December of 1944 we again turned to drama and produced "Plane Crazy," another success. With the money we earned from this venture, we entertained the graduating class of 1945 at a Junior-Senior Prom, which was one of the most original in years. The gym was decorated like a circus with a drop ceiling of colored crepe paper and a merry-go-round of circus animals with the traditional pink elephant. Included in the entertainment was a magician and a snake charmer.

We have contributed members of our class to the armed forces and outstanding stars to the Jay football, basketball, swimming, and track teams. We are very proud of our boys' athletic records.

As we leave we hope that our spirit will live on at J. C. J. C. and to further this hope, we present our edition of the Marcellus.

JUNIOR CLASS HISTORY

Three years ago the juniors of '45-'46 entered their high school life as freshman—green, perhaps, but determined to make their class known. With the unrated amounts of originality, pep, initiative and intelligence they possessed, it was only natural that they should attain that goal.

They greeted all school activities with enthusiasm and a willingness to work. In the ninth and tenth grades at Simonsen, many held positions on the Cub team or on the Cubettes, but those who didn't backed both wholeheartedly. Their class officers were chosen with careful consideration concerning capability; and under their student body president, Curtis Wallace, the student government made a splendid record. As if this weren't enough, the public also discovered that there was some outstanding acting ability in this group. The tenth grade play, "Junior Miss," under the direction of Mrs. Hayob, was said by many to have been unexcelled by a high school play, but the junior play "Brother Goose," under the direction of Miss Rank, measured up to all the standards set by the sophomore production.

This September they greeted J. C. J. C. as juniors and are now completing one more fine year.

While it is with deepest regret we bid farewell to the seniors, with unbounded anticipation and pride we look to the juniors—our seniors of '46-'47.

THE STUDENT COUNCIL

The student council is an organization of students, representing students, and carrying on the student government. These members are elected by their respective classes, and do their work from the committees of the council. The presidents of the classes are automatic members of the council.

One of the student council's main activities is to see that the service roll and flag are kept up to date. Several parties and other sorts of entertainment were sponsored by the student council for the pleasure of the school. Our student council was invited to visit with the Fulton student council, and the Fulton student council returned our visit. A very interesting speaker this year was Miss Monta McFadin of Brazil, who told us of the schools in South America.

The student council elected Ralph Stone, President; Billie Jean Shaw, Vice-president; Charlaine Tweedie, Secretary; Buck Waltz, Treasurer.

Miss Golden and Miss Abbott were our capable sponsors.

THE NATIONAL HONOR SOCIETY

The principles of the National Honor Society are scholarship, leadership, character, and service. The members are selected twice a year, and an impressive and solemn ceremony is given for their initiation.

This past year has been a very successful year for the National Honor Society. The officers were chosen at the beginning of the school year. Ralph Stone was elected President; Jane Cole, Vice-president; Dorotha Williams, Secretary; Jackie Frazier, Treasurer. The members are very grateful to their sponsor, Miss Dickson, for her helpful guidance and cooperation.

THE RED AND BLACK STAFF

This is the sixteenth year of publication for our school paper, the Red and Black. Marilyn Onken, a junior, and Frances Link, a senior, have served capably as editors.

During the year of 1945-46 it has been the purpose of the members of our staff to publish a paper which will not only entertain but inform our readers. The Red and Black has continually encouraged school spirit and has given support to many worthy projects. The paper, which is published monthly, contains editorials, news and special features, including poetry, jokes, news of the armed forces, and sports.

Our sponsor is Mrs. Marjorie W. Ellis.

THE MARCULLUS STAFF

The members of the Marcullus staff were elected by a committee of the faculty and the senior class. We have worked hard to make this year book the best ever; one that you will be proud to have in the years to come. We extend our thanks to the faculty and the student body, without whose help the Marcullus could never have been published.

We have tried to include everything in this year book because it doesn't seem possible that we could ever forget our days at J. C. J. C., but as the years go by and our friends disappear only a shadow of a memory would remain without this book. With this thought in view, we present this Marcullus to you, fellow students, that its pages may serve as a blazed trail through the forest of Memory to Yesterday.

THE BAND

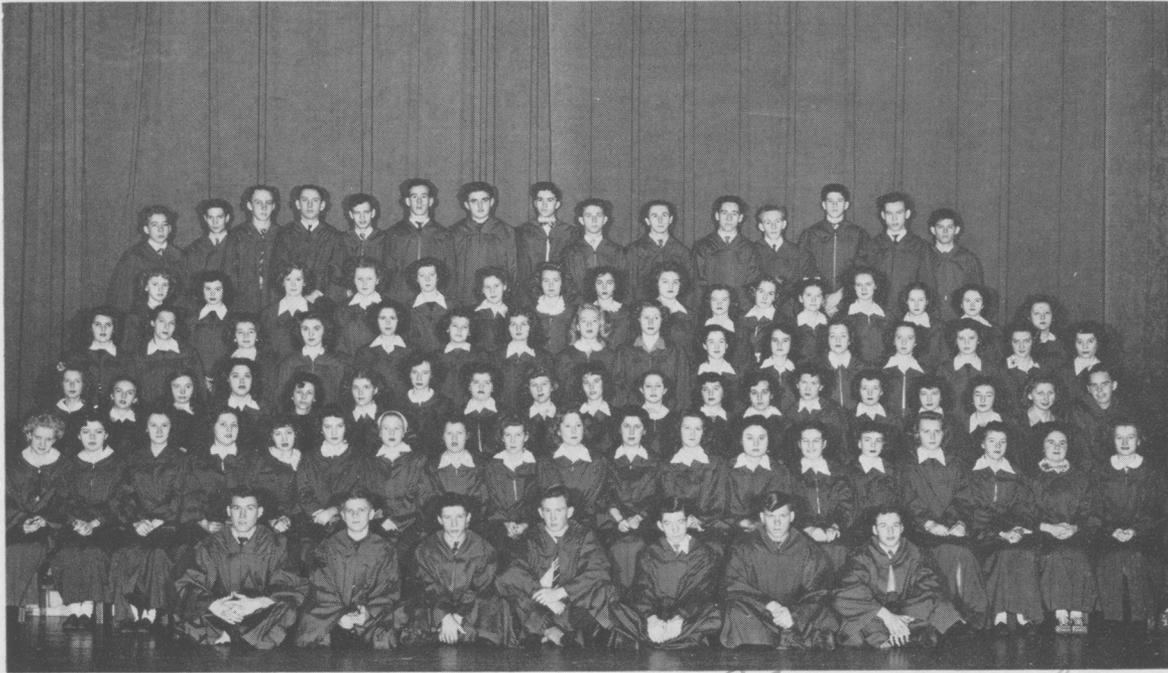

Jefferson City has always been proud of its band, even more so this year. The band strives to give its members experience in playing and also give the student body a sense of music appreciation.

The band has played at football games, given programs in assembly, participated in parades, played at the mass initiation of the American Legion, and has been in several music contests. The band received another honor by being asked to play at the Missouri University homecoming football game.

The band which is made up of students from Simonsen High and Jefferson City Junior College is under the direction of Mr. Arthur G. Harrell.

The senior class play, "The Great Big Doorstep", was a three-act dramatization of a family living in the swamp lands of Louisiana along the Mississippi River. The son, Arthur, has just discovered a doorstep floating in the river, and he brings it home and places it in front of their five-dollar-a-month home. This brings about a desire for a better place in which to live. A home costing sixty dollars in back taxes is the answer to their prayers. The sixty dollars is not to be had in the Crochet family and the other possible sources do not materialize. All seems lost when at last the money comes from unexpected sale of lily bulbs and blooms.

The play is well-planned for suspense and action with French, tempers, wine, ants, and lilies filling the play with the much desired humor and drama that makes for good plays.

As a closing class play, "The Great Big Doorstep" made a grand exit. Now as the seniors go out on the great stage of life, perhaps the amateurs of today will become professionals of tomorrow.

JUNIOR CLASS PLAY

On the evening of December seventh the juniors presented their annual class play. They selected a three-act comedy, *Brother Goose*, which was based on a typical family in the mid-western part of the country.

Jeff, the big brother who heads the Adams' household, was played by Curtis Wallace. The younger brother, Wes, is at the girl-crazy stage and was played, aptly, by Richard Mullens. The present object of his affections, Eve, a southern belle, was Gretchen Dorris. Two daughters, Hi and Carol, completed this "happy-go-lucky" family. Hi (Mardelle Fletcher) was looking forward to a career in football and Carol (Iola Bradley) was expecting a prize throughout the play. Peggy (Jane Sappenfield) and Lenore (Margie Burton) ran a close race for Jeff's affections. Other members of the cast were: Helen, who quits, Marilyn Onken; truck driver, who is mad, David Sparlin; Mrs. Trimmer of the Wee Blue Inn, Judy Connally; and Sarah, a colored maid, Faye Herman.

The production staff was: Director, Miss Rank; Student Director, Jean Harris; Properties, Tom Curtis; Make-up, Shirley Ann Talley.

INTERNATIONAL RELATIONS CLUB

The purpose of the International Relations Club is to create a better understanding of world affairs. Current international problems are discussed in the meetings. A thorough study has been made of the United Nations Organization, and there have been such noted speakers as (Miss) Monto MacFaden, a Methodist missionary who talked about Brazil, and Mr. Hsing Huan Chen, a Chinese citizen now a visiting student on Missouri road-building.

There are about two thousand such clubs scattered throughout Europe, Asia, Africa, and the Americas. Through the International Relations Club, the Carnegie Endowment Fund contributes books about current affairs to the school library.

The club has a total membership of twenty members. The officers are as follows: Alice Frye, president; Virginia Lee Weigel, vice-president; Barbara Sphorer, secretary. Miss Green has been an excellent and inspiring sponsor.

COACH REAVES

Vic Reaves

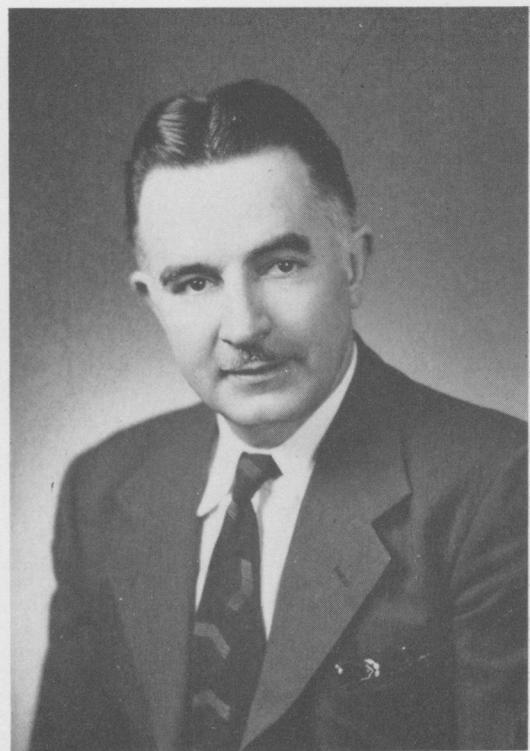

In my opinion the Jays of '45-'46 were a great bunch of boys and a fine group to work with. Although the season was a little slow starting, due to influenza and other illness, once the boys got settled, they played that very fine brand of basketball of which they were capable.

This season leaves in my mind many fine memories. It's a great pleasure to have boys of high caliber, and the boys on the Jays were of the highest type. Next year is another season and with six juniors with experience and a lot of new material, and the Jays shall once more attempt to carry on those high standards of basketball for which Jefferson City is known. In conclusion, to the Jay basketball team of 1945-46, I have but this to say, "A good season, boys. Well done!"

From a coaching standpoint the past three years have been the happiest of my life. Boys who trained, worked as a unit, with the courage of true champions and the fierce determination to win have been the formula.

Our ranks will be sadly depleted for the coming year, but, if we can recruit a group of boys with the same qualifications, even though they lack the native ability of the present group, we will have teams the school can and will be proud of whether they win, lose, or draw.

Our record speaks for itself. The overall record for the past three years is the finest in the long athletic history of our school.

JACK KEANE

This was Jacks' third straight year in the Jay backfield and all these years he has been the leading scorer of the team. This year he racked up 84 points. He stars as a broken field runner and as a passer. He stands 5 ft. 9 in. tall and weighs 170 pounds.

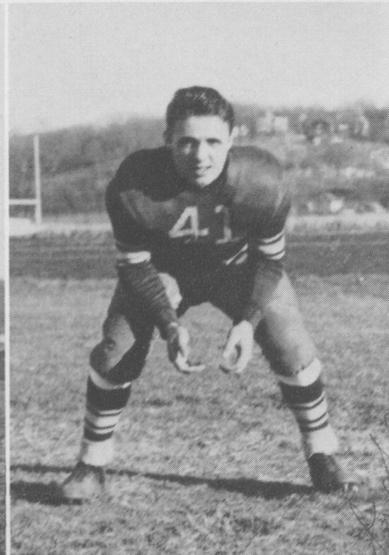

JACK "TUB" WALLACE

Jack is considered the powerhouse of the Jay squad. He plays at quarterback and does the line bucking. When his 185 pounds hit the line you can tell it has been hit. He also does the signal calling for the Jays and does a fine job at backing the line on defense.

BILL McDERMOTT

Bill McDermott has the nickname of "Frog." I guess it's because when he gets the ball he hops. Bill was the smallest man in the Jay backfield. He is about 5 ft. 7 in. tall and weighs only 155 pounds. He plays at a halfback position, and he is poison to opposing teams when he breaks into the clear, because he is so fast.

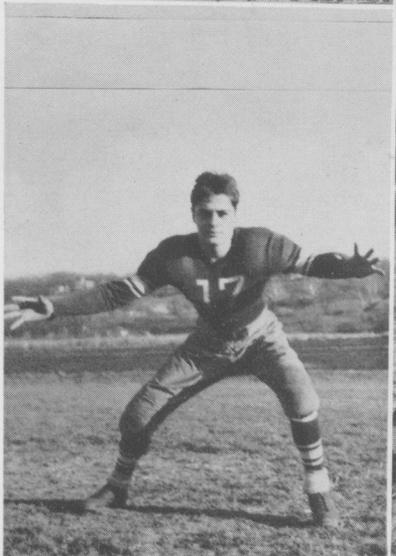

RAY WALTON

This is Ray Walton's first year on the Jay squad. He came to the Jays from the Junior High Cubs. He did a fine job of holding down the blocking back position. Ray's blocking paved the way for a large part of the Jay ground gaining. Ray is a junior and will play on the squad again next year.

Ray Walton

RICHARD "GUS" BROWN

"Gus" was probably the outstanding lineman of the year. He plays left guard but shifts to the tackle position of defense. He is a very aggressive player who knows how to handle himself to stop enemy running plays. "Gus" weighs 185 pounds and he is just a junior. He has received a Jay letter for the past three years.

BOB HOLMES

Bob played at right tackle and has the honor of being the largest player on the squad. He tips the scale at 195 and is 6 ft. 3 in. tall so you can see why you don't see opposing teams making much ground through him. Bob also does the kicking off for the Jays. He is about the best in that field that the Jays have ever had.

"JACK "ATLAS" HOLMES

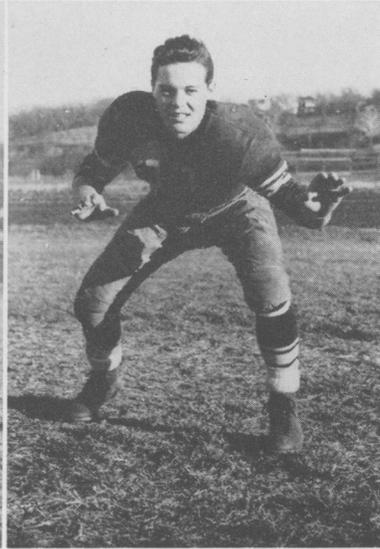

Jack who only weighs 140 pounds was nicknamed by his teammates as "Atlas." Jack's job at right end was excellent because he seemed to be able to get through enemy blockers to nab the ball carriers and stop them from running his way. This is Jack's third year on the Jay team.

"BUCK" WALZ

"Buck" has been J. C. J. C.'s number one center for the last two years. Standing 5 ft. 9 in. and weighing only 145 pounds "Buck" has been seen pushing heavier men around all season. He is an excellent blocker despite his size and has proven invaluable on pass defense. Aggressiveness and plenty of "guts" make him a great little center.

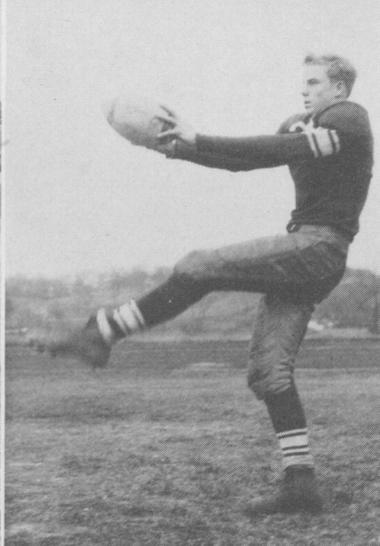

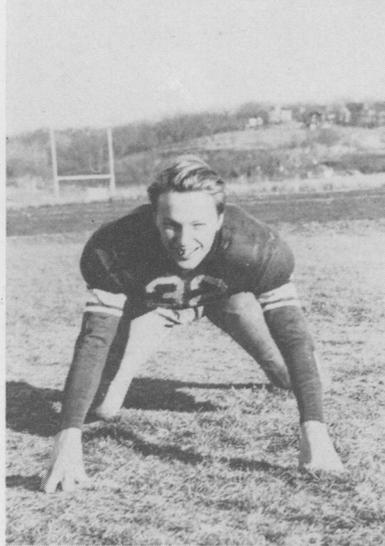

ELLIOTT ALBERTS

This was Elliott's first year with the Jays. He played at right end, but was shifted to fill up in the Jay backfield after an injury. He also proved he could handle this job. He was a very effective defensive man and a great help to the team.

FORREST CAPPS.

Forrest broke into the Jay line at the close of last year when Tommy Thompson shifted to end. Forrest did a fine job at guard and distinguished himself on the Jays by blocking opponents' punts. Forrest stands 5 ft. 9 in. tall and weighs 155 pounds.

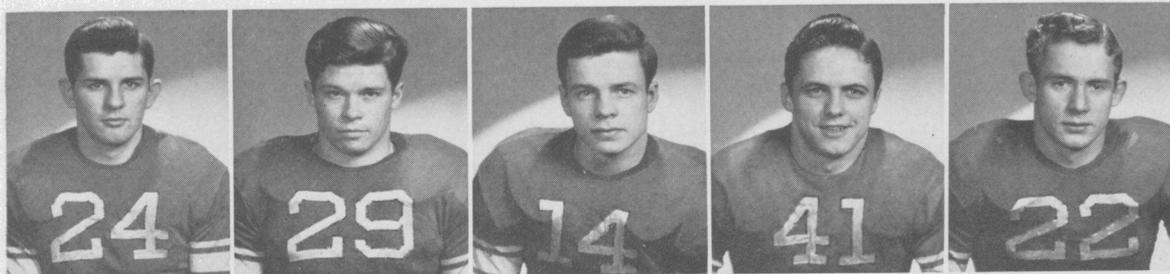

ALLEN "HESS" FISCHER

Allen played left tackle but shifted to guard on defense. Allen has done a fine job of stopping up the center of the line. Allen has played with the Jays the past three years and has a very good playing record. He weighs 175 pounds and tops 6 ft. 2 in.

TOMMY THOMPSON

Tommy who shifted to end at the close of last season did a fine job at the position. Tommy did most of the pass receiving this year. Later in the season he was called to the backfield to do the punting. This is Tommy's third year with the Jays.

JAYS 39 — MOBERLY 0

Playing their first game of the season on a very muddy field the Jays defeated Moberly 39-0. It was the Jay's game from the opening kick-off. They took an early lead and were never threatened. Tallies were made by Jack Keane, Jack Wallace and Bill McDermott. Jack Wallace made the longest run of the game when he ran 60 yards for a touchdown as the first half ended.

JAYS 33 — KEMPER 0

Seeking revenge for the 27-7 defeat last year at Kemper the Jays in a fine exhibition of football defeated Kemper 33-0. Gus Brown was the spearhead of the fine Jay line play as Kemper could gain very little ground. No one player could be called the "star" for each did his part and did it well. The scoring was done by Jack Wallace and Jack Keane. Keane scored three times and Wallace scored twice. Bill McDermott drop-kicked three extra points.

JAYS 60 — FULTON 0

The next team to fall to the Jays was the Fulton Hornets. The Hornets didn't stand a chance against the strong Jay team. After scoring 19 points in the first half the Jays came back to score 6 more touchdowns in the second half. Keane and Wallace each scored four times. Tommy Thompson scored the other points when he intercepted a Fulton pass and ran 75 yards for a touchdown. During the fourth period Don Mackie, Jay reserve guard, received a broken leg while in play.

JAY 13 — COLUMBIA 7

Playing before a large Columbia homecoming crowd the Jays defeated their arch rivals, the Columbia Kewpies, 13-7. On the second play of the game Bill McDermott ran 70 yards for a touchdown. McDermott also kicked the extra point. The Columbia score was made on a long pass to Ray Oder, which made the half end in a 7-7 tie. Early in the third period Jack Keane passed to Tommy Thompson for the other Jay score. Columbia had driven to the Jays two yard line as the game ended.

JAYS 6 — SPRINGFIELD 13

Playing this game with five injured first string men the Jays suffered their first defeat as they fell to a strong unbeaten Springfield team. The Bulldogs were led by Jack Hunt, their star back, who scored both their touchdowns. The Jays' lone touchdown was made when Jack Wallace passed to Tommy Thompson, who from the 20 yard line outran the Springfield secondary and scored standing up. Tribute should be paid to the team although they were defeated.

JAYS 40 — SEDALIA 0

This was the Jays homecoming game and they held up their end by downing the Tigers 40-0. The Tigers were no match for the Jays as they piled up 26 points in the first half. The Jays defense wasn't up to par, however, as Sedalia gained considerable ground. Jack Wallace and Elliott Alberts each scored two touchdowns, while Bill McDermott and Ray Walton each scored once. McDermott's touchdown was made when he returned a Sedalia punt 60 yards.

JAYS 34 — M. M. A. 6

Facing a much heavier M. M. A. team the Jays, using wide reverse and tricky laterals instead of their usual power tactics, overwhelmed the Colonels 34-6. The Jay line proved itself superior, as the Jays made 12 first downs compared to 4 for M. M. A. Only two of these were against the starting team. Jack Keane led the attack, scoring two touchdowns. Wallace, McDermott, and Alberts each tallied once.

JAYS 20 — UNIVERSITY CITY 14

Coming from behind in the closing three minutes of the game, the Jays won over University City 20-14. The Jays played a game that will not be forgotten for some time. Probably the most exciting incident in the game was when the Jays drove the entire length of the field in nine plays to win the game. Bill McDermott scored the winning touchdown when he caught a pass from Keane in the end zone with 14 seconds left to play. Keane was responsible for the other two touchdowns, as he passed to Thompson for one and ran the other over himself. A fine example of teamwork and cooperation was displayed by the Jays.

BASKETBALL

THE JAY'S BASKETBALL SEASON

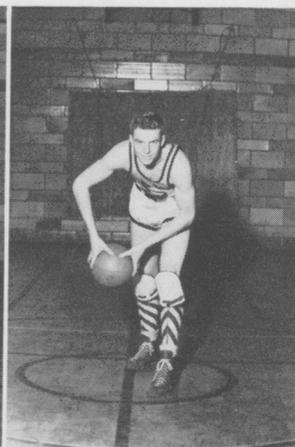

With five lettermen returning from last year's team the Jays compiled a season's record of thirteen wins and seven defeats. They placed fourth in the central Missouri conference, which was restored this year after a four-year lapse. The Jays participated in the Eldon tournament. They won one game and lost one. The Jays were victorious in the Jefferson City Sub-Regional Tournament after playing an exciting game with Versailles in the final game of the tournament. The final score was 37-36. The last lap of their season was played in the Warrensburg Regional Tournament where they met defeat in the first game with Lee's Summit.

After a lapse of four year's competitive swimming returned once again to J. C. J. C. under the direction of Coach Reeves. The Jays, with a fourteen man squad were undefeated in five dual meets. This is the first undefeated tank team in the history of the school.

Aside from Jim Schwerdtfeger, backstroker, there were few really outstanding swimmers, but in all events the team had at least two good men.

It was this well-rounded, better than average distribution of talent that enabled the Jays to run up such a high total of points against their opponents. The free style relay team composed of Bill Scott, Bill Copher, Jim Stith, and Allen Parish was never defeated and came within .4 of a second in breaking the school record. Bill Scott, Jim Schwerdtfeger, and Jim Stith, 100-yard free styler, 100-yard backstroker, and 200-yard free styler were never defeated during the season.

Several of this year's "mermen" will be back next year which indicates another successful season.

Congratulations, Jay Swimmers!

THE TRACK TEAM

THE 1945 TRACK SEASON

The 1945 track team, victorious in four out of six meets this season, placed second in the Central Missouri Conference meet held in Columbia early in May.

Tommy Thompson, Jack Keane, Richard Gwinn, and Jim Camden, the mile relay team, set a new record in the Mark Twain Relays at Hannibal. The time was 3.38:9.

Tommy Thompson, Jim Camden, Bill McDermott, and Richard Gwinn, the 880 relay team set new conference record of 1.35.

Bill Scott set new conference record of 2.04:9 in the 880 run. Tommy Thompson set a new school record of 53 seconds in the 440-yard run. Bob Holmes also set a new record in the discus throw with 126 ft. 5 in.

With nine meets schedules for this season Coach Reeves has eight returning lettermen. They are: Bill McDermott, Tommy Thompson, Jim Camden, Bill Scott, Jack Keane, Bill Harbison, Bob Holmes, and Lee Thompson.

GIRLS SPORTS

The girls of J. C. J. C. are guided in their physical education program by Mrs. Clara Reaves. This program is intended for the development of co-ordination of the mind and body.

Intramural sports were stressed in this physical educational program. Basketball was the major interest this year. Captains and teams were elected from each gym class. The championship game was played between June Cleeton's team and Billie Jean Shaw's team. The victory over June Cleeton's team was a very close margin with the score of 23-17. Members of these teams were: Billie Jean Shaw, captain; Melba Payne, Sissy Reagel, Jerene Wheatley, Mary Lee Thompson, and Shirley Ann Talley. June Cleeton, captain; Martha Dunlap, Marie Balkenhol, Joan Davidson, Donna Scholten, Violet Richardson, and Pat Parker.

In the early fall, volleyball was played and now that spring has come the great out-of-doors calls to us. Softball it is!

Another body builder given in J. C. J. C. is swimming, a very popular sport for all girls. We thank Mrs. Reaves for her patience and guidance.
