## Dedication

Because of his bringing honor and national recognition to Jefferson City Senior High School, the Marcullus has been dedicated to Coach John V. (Pete) Adkins. Coach Adkins has been a member of the faculty and coaching staff for seven years. In all but his first year of coaching, Coach Adkins led the football Jays to undefeated seasons and 57 straight victories. Under his direction five players were named to All-American teams. This year he was awarded the Knute Rockney High School Football Coach Award and appeared on a panel of football coaches at a national convention in Chicago, Illinois. As a special tribute the Jay Boosters commissioned a local artist, Mrs. Carl Bosch, to paint his portrait in oils. At the annual Football Banquet the painting was unveiled and presented to Mrs. Adkins.

Coach Adkins admires the Jay gridder, containing the names of all the Jays contributing to the 57 game winning streak.

On the sidelines, Coach Adkins studies the situation in the closing minutes of the Springfield Central game. In the foreground is a photographer from Life magazine.

Exuberant members of the Jay squad hoist Coach Pete Adkins onto their shoulders in appreciation for his expert guidance, following their record breaking victory.

# Beginning

Members of the Senior Class gathered at the stadium for Commencement. As students lined up for the processional, clouds began to roll and lightning flashed through the skies. The class took its place at the lower gate of the stadium, the band started playing the slow, majestic strains of "War March of the Priests," and we marched around the track. As we took our place under the lights, rain began to fall but it only lasted a minute. The storm worsened as the proceedings continued and by the time the diplomas were being given out, the heavens had opened up with a torrential downpour. Mrs. Alan Becker stood under an umbrella and graduates waited in the rain. There was no traditional "Alma Mater" or "Recessional." There wasn't even time for tears.

*Mrs. Alan Becker presents graduates with their diplomas in the midst of the commencement downpour.*

*Serious faced seniors stand in line to receive their diplomas.*

Whenever people assemble for any length of time the problem of "Snacks and Drink" appears. At all athletic events, and the Science Fair, the Concessionaires adequately meet this need. This organization solved this feeding problem for 40 events the past school year. For the past seven years this activity has provided the public with good eats, and has helped finance the needs of other organizations. Rewards given the Concessionaires: A Service Medal and a banquet at the end of the year.

# to Record '64-'65 Year in Marcellus

MARCELLUS BUSINESS STAFF—Seated: Rita Swain and Judi Farrar. Standing: Marla Longden, Pat Abbott, Ann Lynne Michael, Amy Lale and business manager, Beverly Thompson.

Marcellus editor, Judy Jones surveys the work of fellow staff members as both the school year and her difficult job draw to a close.

Photographer Jim Adams toils laboriously in the dark room.

A large, bold, black letter 'A' is the central focus. To its right, the word 'ATHLETICS' is written in a smaller, bold, black, sans-serif font. The 'A' and the word are connected by several thin black lines that form a series of triangles and rectangles, creating a dynamic, geometric composition. The lines extend from the top and bottom of the 'A' towards the right, intersecting and connecting to form a larger triangular shape that encompasses the word 'ATHLETICS'.

First we thank Mrs. Jerry Blackwell, director of school-community relations; Mr. Marvin Fleming, Principal at JC; Mr. Rex Adams, vice-principal; and Mr. William Finnell, Freshman High principal.

Special credit goes to the New York Daily News, the St. Louis Globe Democrat, the St. Louis Post-Dispatch, and the Jefferson City News and Tribune.

We would also like to thank Mr. Zeal Wright, local photographer; and Mr. Massie and Mr. Walker of the Missouri Commerce Department.

Thanks is also due to the JC faculty for their patience, the custodial staff for their help, the Freshman journalism class for their assistance, and all the students for their cooperation.

The *Marcullus* is to be a record of the past school year. We hope it will serve as a pleasant reminder of your high school life.

Bob,  
I'll always  
remember you with

May you have the very  
best of M.A. Lots of luck,  
not to be trite.  
Dan Cross

Bob,  
So a great guy with  
loads of personality  
and a blast to be with.  
Remember the "kick-off"

mores, qins. Good luck  
always in everything you  
do.

Bob,  
This year has been  
a rush, I know that  
will be following yours  
and get fun. I hope you

Revised!

Bob,

Its just as hard for me to think of anything to write as it is for you. I'll never forget any of our good times together even as far back as West School. I've always treasured our friendship greatly and hope it will continue on through the rest of our natural lives.

I'm <sup>full</sup> ~~so~~ real proud to be able to say that I was one of your friends. I know things were ~~quite~~ rough for you these last few months and I tried to help you in every way possible. Even considering what you have gone through I am confident that you won't let it get you down and that you will go on and succeed at everything you attempt. May the Good Lord look over you.

Hi Fats,  
My only  
true friend in  
all the world.  
Behave yourself  
and don't get mixed  
up in politics  
parties. I will  
have a nice time  
at school and  
study hard.  
Giggie
