## Traditions March On

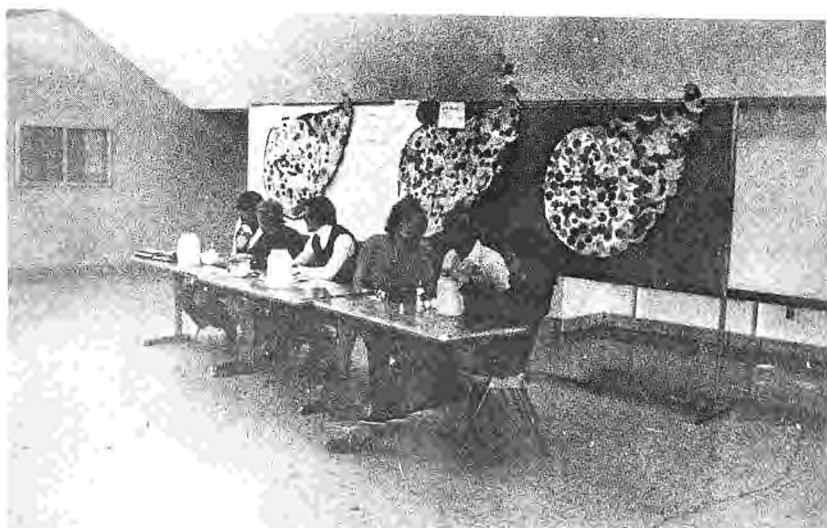

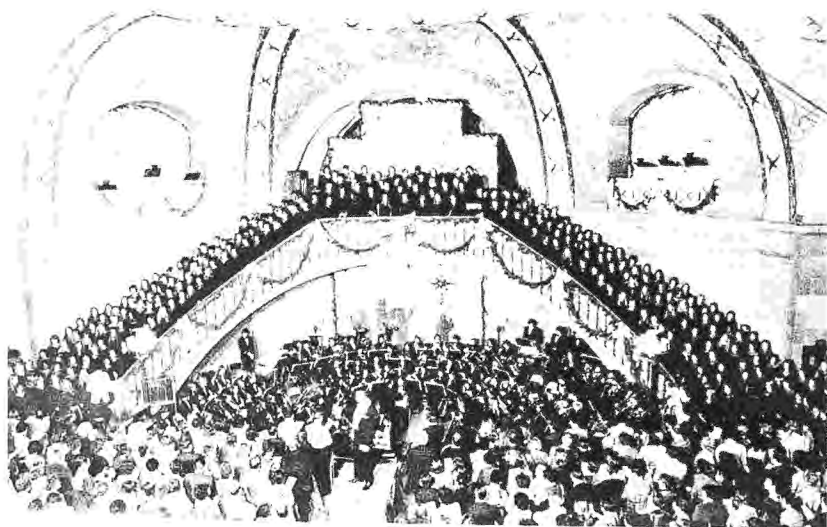

Though every year of school is unique and is remembered for its significance to each individual, many respected and appreciated traditions remain a part of JC.

The excitement of Homecoming generates the enthusiasm and involvement of students. Jayettes, Jasper, and the Marching Jays weave the spirit throughout the student body as the Jays challenge the traditional rival, the Kewpies.

Students support such projects as the Emergency Fund at Thanksgiving. Music fills the heart as carols fill the rotunda at Capitol Caroling and again when the curtain opens on the Operetta. Queens and courts add a beauty to the year along with the radiant atmosphere of the Prom.

Graduation brings high school days to an end for Seniors and the traditional tear fills the eyes as they reflect on days gone by. Underclassmen return through the doors the next fall to be a part of the traditions of JC.

## It's Time For A Change

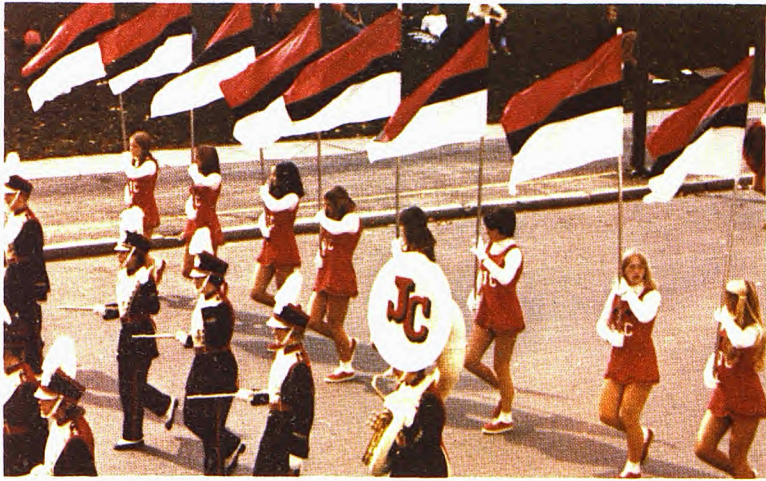

In this day and time changes take place each day which affect our lives and the world we live in. The 1974-75 school year was no exception at JC while changes and breaks from tradition became apparent.

Demanding equal rights the female made way for girl's sports and for the first time a girl's volleyball and tennis team added to the Jay winning tradition. The female went on to secure an equal status and legs appeared in the color guard as girls enrolled in ROTC.

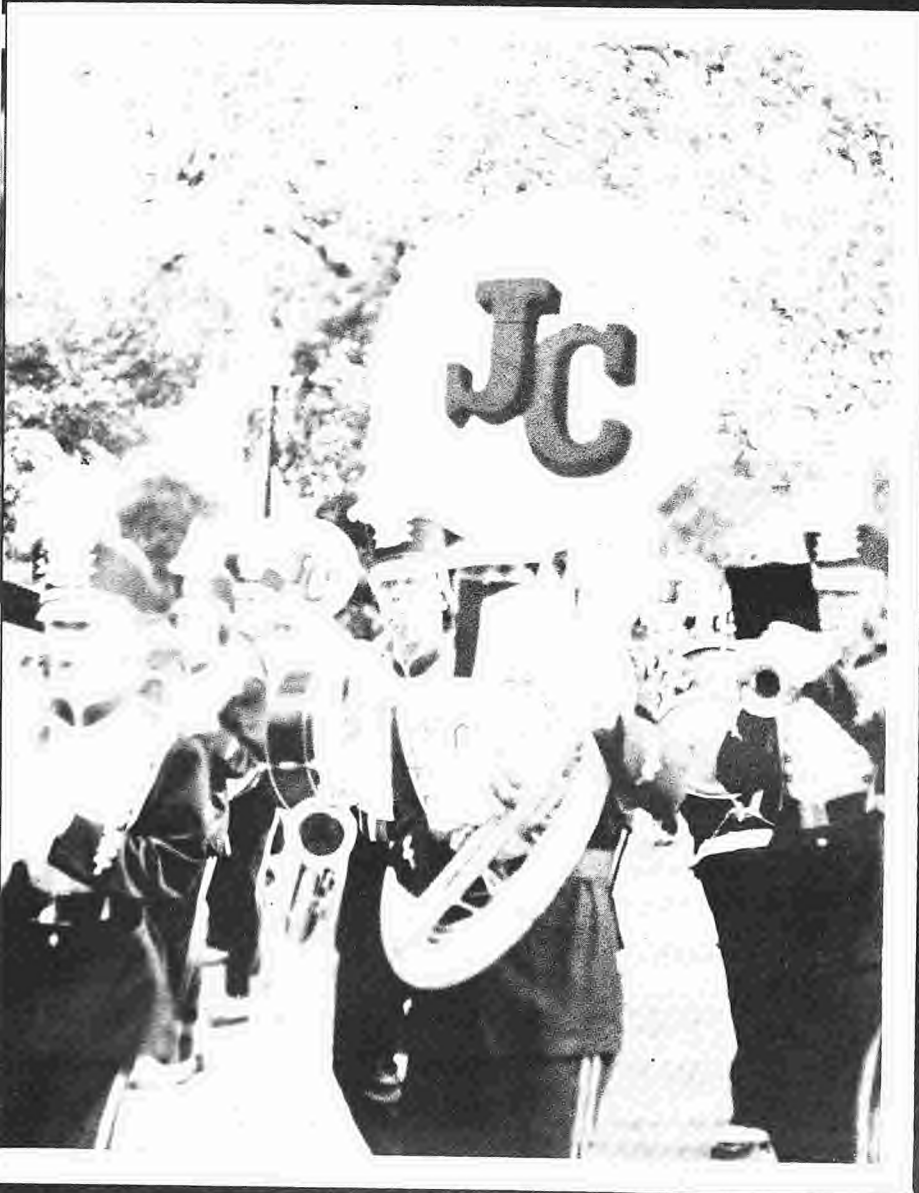

Red and black flags waved the Marching Jays through a successful year and added a bright note to the band activities.

A progressive change took place in the school system as ground was broken and construction began on the vocational building. New classes, such as semantics and anthropology, were available to students and new credits added up toward graduation. Several shorthand classes experimented with individualized instruction and learning aids.

**"You really miss out on a lot when you don't contribute, so don't be afraid to participate...you'll be a better person for it, and it will help someone else, too."**

**John DeClue**

*"Life. Participant or spectator, involvement is the difference."*

This quote, by George Betts, reflects our idea of involvement.

Participating and being involved in student life at JC offers an exceptional experience for students and is stressed as the key to a successful school year. What this year of life has to offer depends upon us as individuals.

It is through our contributions that we receive a feeling of satisfaction for what we have done. Likewise, the success of our lives depends upon the path we choose to take.

Involvement is the difference in viewing our high school years and our lives as a spectator or a participant.

# PARTICIPATION

# Parade and Halftime Show Carry Out Theme

"Homecoming nineteen seventy-four," echoed through the gym as JC students began a memorable day in their lives.

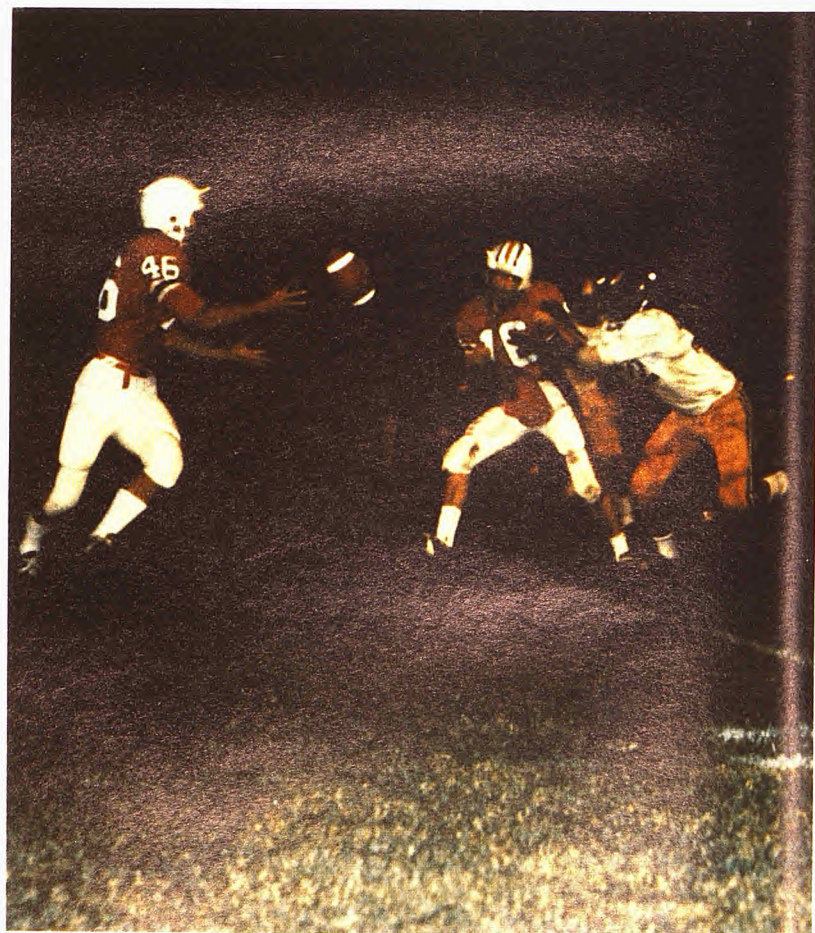

Hours of work, hundreds of tissue flowers, sleepless nights, and undone homework assignments were behind the excitement and wonder of homecoming.

The glow of the bonfire sparked the enthusiasm even higher. Memories that would linger throughout the years were set afire and "Jasper Jay" began his salute to "Rock and Roll."

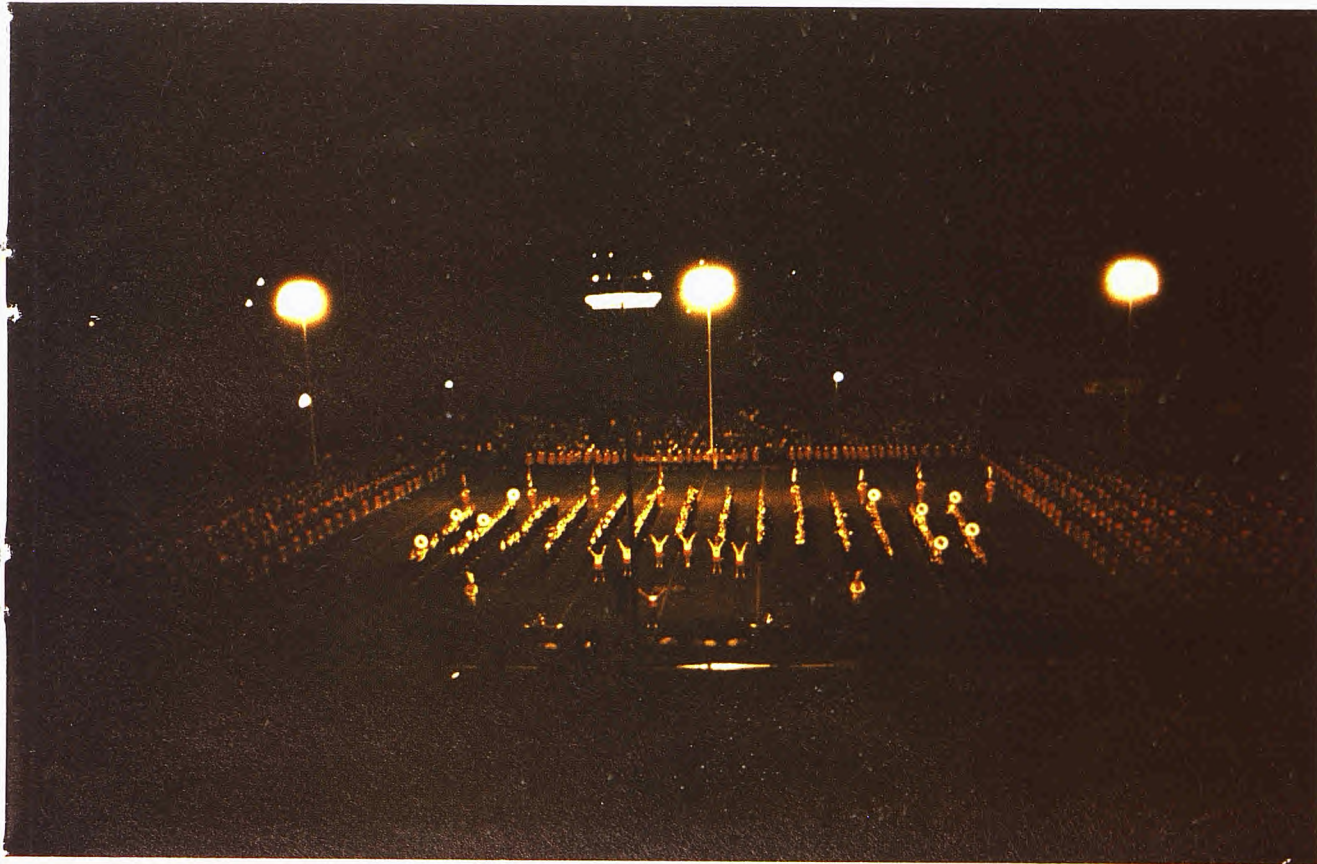

**BUILDING DECORATIONS** display the theme, "Jasper Jay Salutes Rock and Roll."

**CLOWNING AROUND** is exactly what Tami Huerta is doing as she gets ready for the parade. **LATERAL COMPLETED** from Steve Johnson to Delbert Thomas.

HALFTIME SHOW features Jayettes and Band in a Salute to Rock and Roll.

THE TWIST with Chubby Checker (Brian Grandison) is revived on the JC Player float.

A BLAZING BONFIRE led off the Homecoming activities.

**BEANIES** were sold by members of the Art Club the week of Homecoming.

**FRESHMAN BAND** adds its enthusiasm to the parade.

**PIRATE SANDWICH** won best walking float for the Freshmen.

# Jays Top Off Homecoming with 54-6 Game Victory

The Homecoming parade left Freshman High on a sunny afternoon with excited students and floats built around the "Rock and Roll" theme. Seniors, the Frosh, and Science Club members became proud float winners.

The clock was turned back a few years at halftime as the Jayettes danced to "Rock Around the Clock" and boogied in '74 to "Heartbeat Is a Lovebeat." The combined Senior and Freshman High bands formed "1776" and played "This Land Is Your Land" while the Jayettes tried to light their sparklers!

The Jays were victorious 54 - 6 over the Paseo Pirates and the action then moved to the dance floor. Jasper Jay's salute to "Rock and Roll" then faded away and became only a memory.

**SENIOR JAYETTES** march in the parade with sponsor, Mrs. Mock.  
**MORNING PRACTICE** took hours of work for the Jayettes.  
**BOXCREW 75** takes a break from preparation for the bonfire.

**CROWNING THE QUEEN** is David Nichols, Senior football co-captain. Skip McKnelly waits to present Annette with a bouquet from the football team. **TISSUE FLOWERS** are put into place on the Senior float by Cindy Hunter and Mary Wyrick.

**A BIG SMILE** from Eddie Cohen as he chauffeurs one of the queens in the parade.

**SENIOR FLOAT,** Drag That Pirate, wins best motorized trophy.

# Bonfire Sparks Homecoming Activities

Truck loads of boxes buzzing Mac's became a familiar scene before Homecoming and proof of the hard work of "Boxcrew 75."

The traditional bonfire on Thursday night began Homecoming activities and a pirate went up in smoke. As the cheerleaders and pep band led the cheers, deep pride and mixed emotions filled the warm night air. Alumni had returned home to honor their alma mater and to Seniors a moment of sadness prevailed as they watched their last bonfire slowly flicker out.

Queen Annette Crain was crowned in the assembly Friday and John DeClue sang "I Honestly Love You" to honor the queen and court. Chuck Weber, former JC football player, and Lieutenant Governor Phelps spoke to the student body. A pep rally followed before the JC spirit spread throughout Jefferson City.

SENIOR GIRLS sing their tribute to Coach Adkins and the Football Team at the assembly.

I HONESTLY LOVE YOU is sung by John DeClue to the Queen and her court.

QUEEN ANNETTE CRAIN expressed her feelings by saying, "It was the most exciting thing that has ever happened to me. It's something I'll never forget."

Cheerleader Donna Schaefferkoetter reflected, "Being on court was the best way to remember JC. It's something I'll never forget."

THE GOVERNOR'S MANSION is the setting for pictures of the Homecoming court. Attendant Donna Schaefferkoetter pauses at the front gate and Queen Annette Crain ascends the steps.

# Annette Crain Reigns Over Homecoming

One of the features of every JC homecoming is the Queen and court. Nine girls are nominated by the football team and the student body then elects a court of five, of which one will be queen. Members of the 1974 Court reminisced over homecoming activities.

Bubbling with enthusiasm, Grace Fischer commented, "It was a fantastic experience being able to represent JC on the Homecoming court."

As Dana Baker recalled the Homecoming activities she said, "Homecoming was the most different and exciting experience I could ever remember. Everything was so beautiful and so much fun—it all went by too fast."

"When I reflect on my Senior Homecoming I remember how much I cried and how red my eyes were." said Donna Kuensting. "There was such a warm, bubbling feeling of pride knowing I was a representative of JC. I'll never forget that beautiful day!"

THE GARDENS are enjoyed by attendants Dana Baker, Grace Fischer and Donna Kuensting.

# Thomas Breaks Career Record

For a while it looked like half-back Delbert Thomas wouldn't be able to play the rest of the year, much less break the JC individual rushing record. He suffered an ankle injury in early October and chances were slim that Delbert could break Charlie Brown's record of 2,323 total yards.

In the last two remaining games of the season, Thomas recovered and rushed for 149 and 177 yards respectively. In the final game he was only 15 yards short of the single game rushing record when he sprained his knee in the third quarter, but he didn't quit.

With the help of his teammates, Thomas was able to break the JC Career Rushing Record with a total of 2,403 yards.

**SWEEPING** the right end, Thomas (46) breaks through for another yardage gain.

**UNDER PRESSURE**, quarterback Steve Johnson (16) fires a touchdown pass.

**A QUICK CUT** enables Skip McKnelly (23) to find the hole.

**BEHIND BLOCKERS** Curt Stalcup (24) runs down the left side of the field.

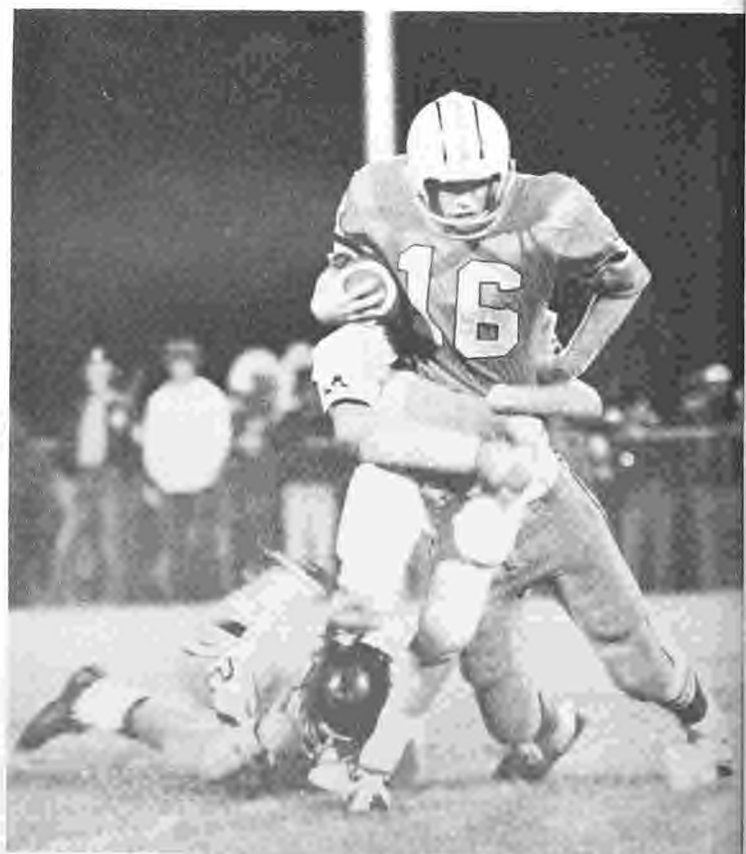

TIME OUT gives the Jays time to huddle. EXTRA POINT attempt is good! ROLLING OUT is Sophomore quarterback Dan McDaniels (17).

# Jays Post 7-3 Record

To some Jay fans, a 7 — 3 season doesn't look too impressive. True, it has not been the 10 — 0 or 9 — 1 seasons of past years, but there are reasons for this. Of the three losses, two of them were defeats by the top 4-A class teams in Missouri. The Jays lost 42 — 12 to Raytown South, the third place team in Missouri. Later in the year they lost to Columbia Hickman 27 — 0, a team who later went on to crush St. Louis Sumner 54 — 6 for the Missouri 4-A class football championship.

The Jays had just as many talented and hard-working players as in other years, but this year the squad played a very tough schedule. Three outstanding members made the CEMO All-District roster: Delbert Thomas, halfback; Steve Johnson, quarterback; and Eric Gardner, guard. Thomas was also given honorable mention on the All-State team.

**JAY DEFENSIVE UNIT** nails the Cahokia ball carrier.

**LINING UP** for the Offensive play are Center Jay Wiedenmeyer (55), Quarterback Steve Johnson (16), Halfback Delbert Thomas (46) and Right Guard Randy Atkin (67).

# Records Fall in Cross Country

School and state records were broken this year by the 1974-75 Cross Country team, led by Coach York.

This year, senior Dave Cooper and Bryce Allmon finished 1 and 2 respectively at the state meet, both breaking the course record.

The training consisted of running 8 to 12 miles a day at the Riverside Park Course in hard enduring interval work.

The top varsity runners were Dave Cooper, Bryce Allmon, Dirk Allmon, Rod Alberts, Jack Baldwin, Bryan Daniel, Rob Record and Tim Rousset.

**"DETERMINATION** is the key to every race," says Coach York. **CONCENTRATING** on his running is Bryce Allmon.

# Teacher Finds The Thread That Runs So True

Lonesome Valley Rural School has a new teacher, Jesse Stuart. He educates the kids amidst difficult barriers, such as Mr. Conway and the school board, lack of facilities, and unwilling parents. Guy Hawkins posed a problem too, almost running things with two fights with Jesse. Jesse succeeds, though, bringing home a victory over Lansburg High in a scholastic contest. It ends as Jesse and Naomi Deane truly find "The Thread That Runs So True."

"FEE FI FO FUM," screams Guy to Jenny.  
A BIG HUG for Naomi Deane as she and Jesse find "The Thread That Runs So True."  
"UH PTOLEMY ONE . . .," recited Budge to teacher as Leonora looked on.  
A SINCERE GREETING takes place as Jesse Stuart welcomes a new pupil to Lonesome Valley High.

# Carols Ring Through The Capitol

The 37th annual Capitol Caroling opened the 1974 Christmas Season with the processional, "Adeste Fideles." Part of the program included such carols as "White Christmas," "Christmas Comes Again," and "Christmas Is Coming." The Chorale performed "Sleep My Prince."

A Danish carol, "I Am So Glad On Christmas Eve," and a French carol, "He Is Born," were presented by the Freshman chorus.

The audience joined in three selections. The program was concluded with the traditional, "O Holy Night."

# Assembly Honors Queen Tawna and Sweetheart Court

The Winter Sports Queen Coronation was held on Valentine's Day. Members of the court were escorted across the gym by representatives of the wrestling and basketball squads. Senior Tawna Jenkins was crowned by basketball co-captain, Brad Bledsoe. Wrestler Ellis McSwain presented her with a bouquet of roses. Tawna and her attendants were given necklaces by last year's queen and court. "Precious and Few" was sung by Gary Goldblum to honor the young ladies. The court was presented to the audience at the basketball game against Kickapoo that evening. A dance was held in the cafeteria following the game, with music by Stonewall.

**STUDENTS APPLAUD** as attendant Teri Baker walks across the court.

# Incentive Makes Up For Inexperience

At the beginning of the basketball year, prospects for a Jay winning season didn't look too good. There were no starters from the year before and only two returning lettermen. The team was short with relatively little weight underneath the boards and, for the most part, inexperienced.

But these facts didn't discourage Coach Rich Maloney or the Jay Roundballers. They put in weeks of hard workouts and practices for the season opener, the Tipton Tournament. The fired-up Jays won both their games and advanced to the finals where they defeated Eldon 82-80 in triple overtime, taking the tournament trophy.

This was only one highlight of the basketball campaign as the Jays went on to play a score of state-ranked teams and defeat many of them. The entire Jay basketball squad contributed more than just their playing abilities to the 15-10 winning season; they also gave their spirit and determination.

# Spirit Sparks Roundballers To Winning Season

Every year some Jay fans say, "If it weren't for the Seniors, we wouldn't have won a game." And every year some under-class Jay fans say, "The Seniors don't help that much. They just get to start because they're Seniors."

As most people now know, both of those statements are false. It isn't just Seniors or a super-star player that makes for a winning season, it's teamwork and incentive. But, of course, the Seniors were a big asset to the Jay team this year.

Two Senior Jays were elected by the conference coaches to the CMC All-Conference team. Jim Blochberger, with 195 rebounds and a 12.4 points per game average and Mike Merrick with an 11.5 point average and 105 rebounds received the All-Conference honors. The other three starting Seniors, Andy Arnold, Brad Bledsoe, and Jeff Sanders, along with Junior Gary Gonder were given Honorable Mentions.

**THE JAY ATHLETIC SUPPORTERS** were an important part of JC spirit at home basketball games.

# Grapplers Pin Down CMC Co-Championship

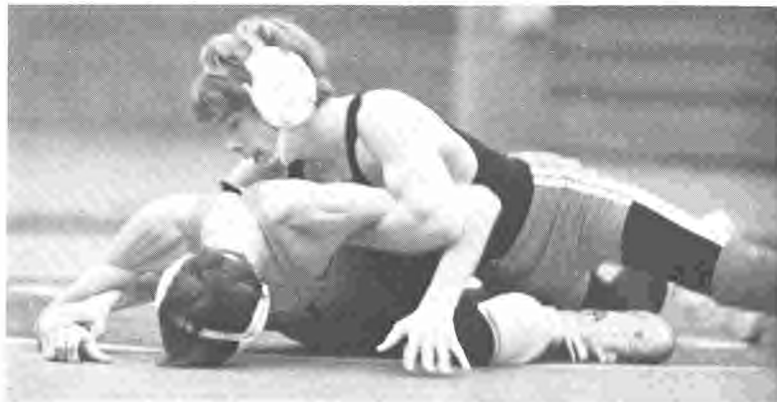

Jay grapplers, although thought to be inexperienced, managed to become CMC Cochampions. After a slow start, Jay wrestlers came back to defeat Columbia and Hannibal to capture a tie for the CMC Championship. Part of their accomplishments were attained through JC's two new wrestling coaches Tom Jenkins and Ted Kozinski. Coach Jenkins came from CMSU Warrensburg, where he was assistant wrestling coach. Coach Kozinski has been teaching P.E. at Simonsen for the past few years. Results of the coaching contributions were many Jay wrestlers excelling in their weight divisions.

Members of the wrestling team started practice by doubling up with football. They often stayed after a 3-hour football practice to work on wrestling funda-

mentals. Even weekends and holidays were devoted to practice. Many of the team members were young, but gained a great deal of experience throughout the season.

# Cotton Blossom Entertains JC

*SHOWBOAT* is the story of the *Cotton Blossom* which is run by Cap'n Andy and his shrew-of-a-wife, Parthy. The show's starring leads, Julie and Steve, are lost because of misegination. They are replaced by a dashing young gambler, Ravenal, and Andy's daughter, Magnolia. Magnolia and Ravenal fall in love and marry despite Parthy's vehement protests.

Frank and Ellie, the comics on the showboat, are soon married, too. As they are getting rich in Hollywood, the Ravenals are going into financial despair. Magnolia and Gaylord separate and are forced to take

their daughter, Kim, from her convent school.

Magnolia is rediscovered by Frank and Ellie, who find her a job at the Trocadero, where she replaces the same ill-fated person as before, Julie. By chance, Cap'n Andy attends her debut on New Year's Eve and watches her become a success once again.

After twenty-three years, Ravenal returns to the showboat and finds Magnolia with Cap'n Andy and the *Cotton Blossom* as before. Ole Man River just kept on rolling as Ravenal and Magnolia are rejoined and live the rest of their lives together in happiness.

**THE ENTIRE CAST** appears for the finale. **JULIE SINGS** of "Bill" at her last appearance at the Trocadero.

# Actors' Performances Spark *Showboat*

# Cindermen Keep On Trackin'

A young Jay track squad under the direction of Coach Pete Adkins put in hours of practice in the hot sun and/or pouring rain and ended the season on a winning note. Senior Dave Cooper traveled to the State Outdoor Meet in St. Louis and took 4th place in the Mile Run with a 4:19.6 time that broke the JC school record. Several Jays qualified for the State Meet but had other plans and couldn't participate.

Highlights of the year were the Jays taking 2nd place in the rain-soaked Capital City Relays, 2nd place in the District Indoor Meet at Mexico (the first meet of the season) and 3rd place in the District Outdoor Meet at Springfield.

# Longknockers Take Fourth in State

This year Jay golfers put it all together to take first place in the CMC and the District. The team went all the way to place fourth in the State Meet at Excelsior Springs.

The four-man Jay contingent consisted of Bill Landis, Jim Blochberger, Cary Pappenfort, and Eric Verseman. After occupying 12th place at the midway point of the meet, the Jay longknockers caught fire and fashioned a 297, the best team score for 18 holes. They tied Springfield Greenwood for fourth place with a total team score of 610.

Senior Bill Landis, who placed 10th in the State as a Freshman, and third in his Sophomore and Junior years, paced the Jays with a 70 in the State Meet (36 holes) to place second individually.

# Fuzzballers Post Winning Season

This year's six returning lettermen used experience to their advantage as the Jay Tennis Squad took second place in the CMC and second in District action.

In the Conference meet the doubles team of Robert Morris and Bryce Craig were the only Jays to take a first place. At the District Meet held in Jefferson City, Gary Muck stomped the number four seeded player to finish third, only one place away from going to State.

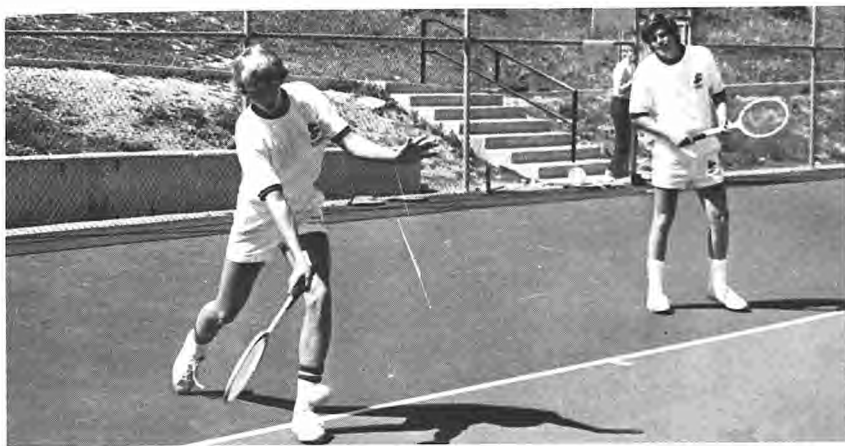

The six returnees all sported winning records in dual meets, and Bryce Craig, JC's AFS student, had a winning 2 - 0 record.

# Good-bye Yellow Brick Road

The annual JC Junior-Senior Prom was hosted by the Junior Class on May 3. Seniors and their dates were introduced in the Grand March as they passed over a bridge in front of the castle. Decorations carried out the theme, "Goodbye Yellow Brick Road." The gymnasium walls featured picture posters of activities of the past school year. Jacques No Padno provided the music. # CLASSES and CLUBS

School days . . . days that bring to mind many different thoughts and ideas. Hours of study before exams and term-papers; hours of work toward a successful Homecoming and All-School Carnival.

Whether it be academic or extracurricular, hours of time and dedication pay off toward an excellent education and enjoyable times spent with friends.

Through the classes and clubs at JC each student has the opportunity to be involved with their interests and accept the challenges of something new.

The activities of clubs and participation in classes provide occasions for becoming acquainted with many teachers and students. Faces become names then people; people become friends, and friends make school days, good days.

# Marcullus Dedicated to Jerry Hoover

JC has been fortunate to have Mr. Jerry Hoover serving as director of the Senior High Band Program for the past six years. Through these years his contributions have strengthened and enlarged the Music Department. Dedication is behind all of Mr. Hoover's endeavors for the Band program, and his musical efforts are valuable assets to the reputation of the Jefferson City High School.

Mr. Hoover works with Band students from seventh through twelfth grades. He directs the Concert and Varsity Bands and two jazz groups at Senior High, the Jazz Band and the Stage Band. But the job for which he is best known is that of directing the Marching Jays. Mr. Hoover expects 200% effort on the part of his students and in return gives what he has asked from each of them.

Through his devotion and time, the Marching Jays have carried a winning and successful tradition through the years. The Band has made numerous appearances throughout the United States and received many honors and awards. Mr. Hoover has been with the Band in the high moments of glory, but he is also always there to share the disheartening ones of long, hard practices and the unforgettable "knee-lifts and swaggers!"

On a Monday morning at 6:30 when sleet is falling, it's 32 degrees outside, and fingers and toes have no feeling, Band members often ask themselves, "What in the world am I doing out here?"

The question is easily answered when Mr. Hoover with his praising smile says, "It's a gas, Band!" Pride is the answer. The pride Mr. Hoover projects into JC makes an ordinary band a unique one.

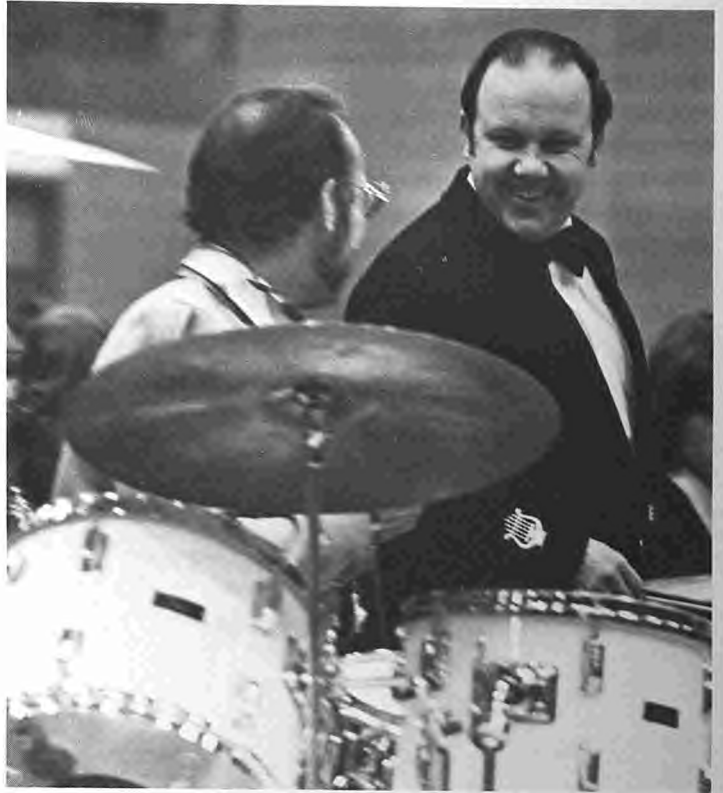

The opportunities and experiences Mr. Hoover has helped make possible for those in our community and school are greatly appreciated and praised. Respecting and admiring this man as a musician, as a teacher, and as a friend, we thank Mr. Hoover with the dedication of the 1975 *Marcullus*.

*"Mr. Hoover always adds to our fun and good times in his own special way and we all love to be with him."*

Lori Carroll

DOWNBEAT for "On Jeff City" was given each time the Jays crossed the goal line. Mr. Hoover took the Pep Band to all of the out-of-town football games and at home games he led the Marching Jays as they backed the Jaybirds.

**A CLARINET SOLO** by Mr. Hoover adds to the Jazz Band's concert, as he joins student soloists Laurie Tietjen and Margaret Hawes.

**TONIGHT SHOW DRUMMER**, Ed Shaughnessy, who performed with the Concert, Varsity, and Jazz Bands, chats with Mr. Hoover.

**SMILES AND FUN** are characteristic of Mr. Hoover and Jay Band trips! He laughs with Mariel and Gracie Fischer on one of the many trips.

**DIRECTING** takes a lot of energy and Mr. Hoover is always willing to give 100% effort to make a number successful.

*"We all respect him with the realization that we owe all our success to him."*

# Vocational School Construction Begun

Out with the old and in with the new. That seemed to be the policy of the administration this year. Early in the year the board voted in compliance with a new federal ruling that says a student's records can not be released without the written consent of the student if he is 18, or the written permission of parents.

Perhaps the most apparent change was the beginning of construction on the Area Vocational School. Tons of earth and rock were moved and finally we watched the groundwork begin to take shape.

The year saw many changes come about. Each step helps build the stairway of progress to the future, and a brighter tomorrow.

**BUSY** is the word to describe Mr. Fleming.

# Student Council Involves Many

"If it weren't for the optimists in the world, the pessimist wouldn't know how bad off he wasn't." Such enlightening "thoughts for the evening" greeted the members of the Student Council at their monthly meetings.

These meetings were attended by more than just the president, vice-president, secretary and treasurer. The president or a representative of each chartered school club is a member of STUCO, and so are the various class officers. But the meetings were open to the public so more than just the members could attend them.

Another way students became involved with STUCO was through the various committees. The chairmen were selected by the executive committee and then sign-up sheets were posted in the office.

You don't have to be elected to help serve the student body at JC. Student Council offers a wide variety of ways in which students can be involved.

SLAPSTICK COMEDY is provided by Steve Weston.

# STUCO Brings Big Times to JC

Mother Goose, Lawrence Welk, and Ted Mack all visited JC through the creations of Student Council. No, the school wasn't rich enough to afford such celebrities, but STUCO tried to imitate their moods for the various school activities.

Lawrence Welk was the theme of the student mixer, Ted Mack hosted the Go-Week and talent assembly and Mother Goose blessed the All School Carnival with her presence.

Santa Claus visited the Christmas assembly and the Easter Bunny left little presents after the Easter assembly.

**SETTING A TABLE** at the CTA banquet is FTA member Mike Shellman.

**TAKING AIM** at a Rifle Club meeting is Ken Witherbee.

**RECEIVING INSTRUCTIONS** on serving etiquette for the CTA banquet are FTA members Donna Kuensting, Mary Jo Wegman, Lisa Autenrieth, Gwen Buescher, Karen Obermiller.

Along with sponsoring such celebrities, Student Council sponsored several special interest groups such as rifle club, bowling club, chess club, and artifacts club. They also helped to revive Future Teachers of America, better known as FTA.

Other activities included student exchanges with different schools, attending the MASC convention and sponsoring various school dances.

## Art Dept. = Busy

If one word were used to describe the art department this year it would have to be busy. As always, the Capitol rotunda was beautifully decorated for the presentation of the thirty-seventh annual Capitol Carolling. The dominant color was blue with shepherds and angels adorning the stairway.

The operetta "Show Boat" had more sets than any other show in recent years. There were ten in all. As always, the department outdid itself by designing and completing all the magnificent scenery.

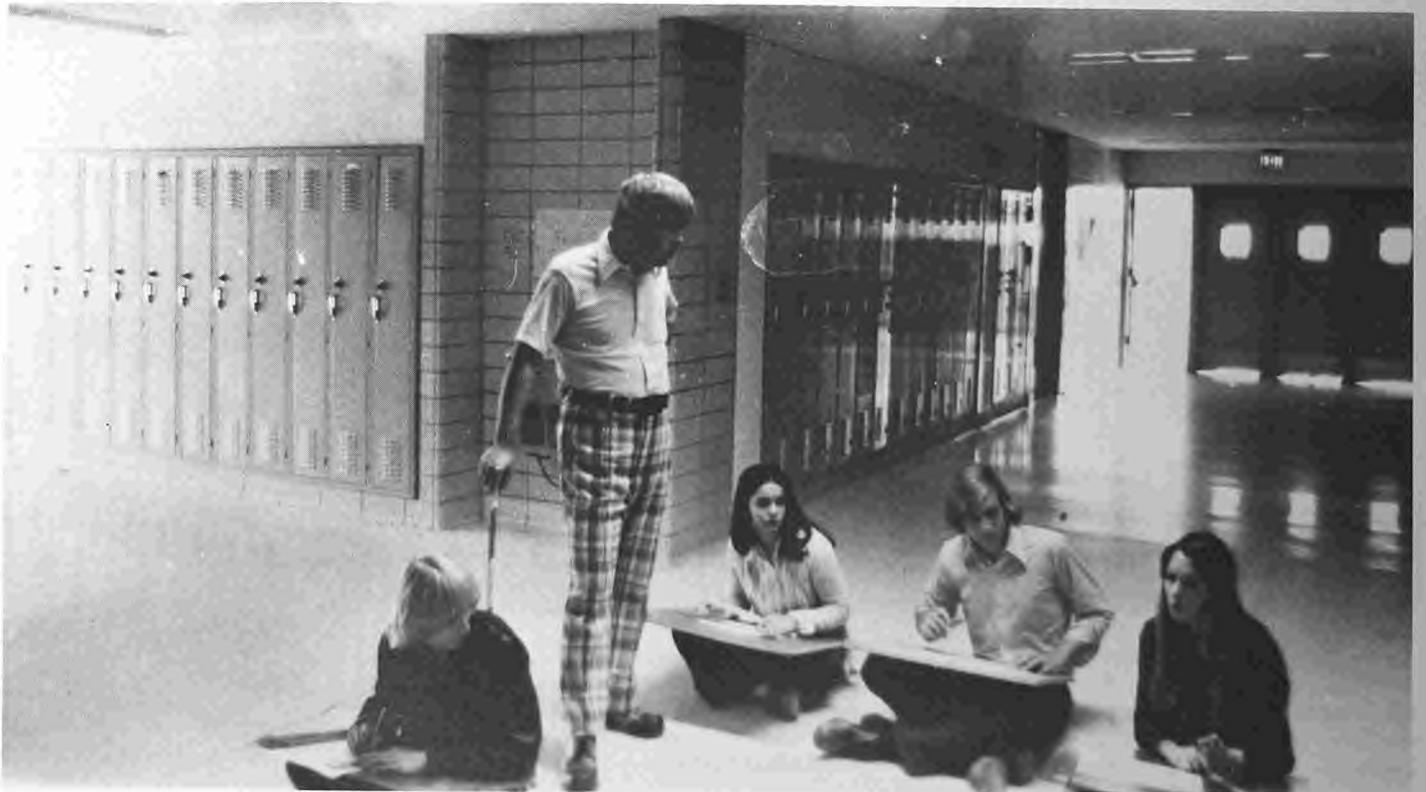

**DILEMMA.** "Where do I put the next one?" sighs Mrs. Jones. **PAPIER MACHE** shaped by Mr. O'Neal and Pam Hiatte. **ART TECHNIQUES** are taught at Freshman by Mrs. Calvert.

# Art Club Strives for Perfection

It all started with Jay beanies. You remember those good looking small hats that Art Clubers sold at Homecoming, don't you? That was the Art Club's Homecoming project to net money for the year. The money is used to send people in Art Club to an art camp in Kirksville, Mo.

The year proved to be a success with a program presented at each monthly meeting. Some of the programs ranged from Mr. Estes showing slides concerning art forms on his farm to a puppet show by Simonsen students.

Art Club is made up of about 150 members. Approximately 80 of these are probationary members. Those who are currently in their second semester of Art I or failing to earn the required 30 merits for a semester are probationary members. Art Club officers for this year were Steve Weston, president; Andy Arnold, first vice-president and in charge of special activities; Tracy Meyer, second vice-president and membership chairman; Kathy Taube, secretary; and Ruth Erhardt, treasurer.

**WORKING** with decorations for capitol caroling is Mr. O'Neal, an Art Club sponsor.

**PRESIDING** over a meeting are sponsor Mrs. Jones, Steve Weston, and Andy Arnold.

**ART CLUB MEMBERS** listen intently at a meeting in the Art Room.

# Artists Sponsor Simonsen Sketch Day

Art Club finished off this year with the busy month of May, which included sponsoring Simonsen Sketch Day. Art Club members were at Simonsen early that morning to hand out the boards and then they hung them up that afternoon for the banquet at Senior High. "It was the fourth time we've sponsored it, I believe, and the artists seemed to enjoy it; besides, we got points for the cookies we brought," said one Art Cluber about Simonsen Sketch Day. A lot of Art Club members participated in the Senior High Sketch Day, later that month.

Then, on May 9, Art Club members with enough merits took a trip to Springfield, Missouri, to view the Watercolor, USA exhibition. They stopped at the Lake of the Ozarks on their way back.

Only two days later, Art Club held their annual Street Fair at the Freshman High parking lot. This is where every member brings their paintings and crafts to sell to the public.

**CONCENTRATING** on an Art Club meeting is Todd Wiedenmeyer.

# Even Shorthand Can Be Fun!

No, you didn't misread the headline. It does say "shorthand can be fun." This year JC became a guinea pig. The State Fair Community College in Sedalia has developed a method of learning shorthand in which the student individually completes each lesson consisting of workbook pages, cassette tapes and film loops, and a checkpoint with the teacher.

This year Mrs. Leohner's two shorthand classes were the first students in any high school to try this method. The future may see all shorthand classes being taught this way. Students agree that it takes the monotony out of the normal shorthand classroom.

**KEYPUNCH** techniques are practiced by Denise Southard with the help of Mrs. Venez.

**PASTE UP** for a program is demonstrated by Mrs. Crews to two of her students in office machines.

**PROOFREADING** is an important part of Miss Chamberlin's typing class.

**MOVIN' ON** — That was no road-runner, that was Mrs. Warren going to her fourth hour class at Freshman.

**BOOKKEEPING** fundamentals are stressed by Mrs. Claiborn.  
**BUSINESS ADMINISTRATION** is one of the many business classes taught by Miss Arthur.  
**TYPING PROBLEMS** for Cindy Danklef are cleared up quickly with a check by Mrs. Kohen.  
**FRESHMEN** students learn typing from Mrs. McMurray.  
**LONG HOURS** and hard work are the keys that enable Miss Bish to meet Marcullus deadlines.  
**BASIC BUSINESS**, in addition to individualized shorthand classes, is taught by Mrs. Loehner.

# Girls Dominate FBLA

How would you like to be the only male in a female-dominated club? No guys, this isn't a made-up dream, but the real-life situation of this year's FBLA.

Although Future Business Leaders of America is open to any student who has taken a business course, only one boy came out for the club. The girls set their goal for next year--to make more guys join.

FBLA members had a busy year. They participated in the Go Week assembly, had a float in the Homecoming parade and served at a banquet for teachers. In the spring they sent representatives to a district contest and to the March of Dimes convention at Tan-Tar-A. An educational project was a booklet explaining the business department to be used for enrollment purposes. Club members also sold stationery and took a spring trip to St. Louis.

**CONTEST PREPARATION** involves hours of practice.  
**SERVING GUEST** from the State Department of Education are hostes from FBLA.  
**GO WEEK** assembly was highlighted by computer, pencil and keypunch card.

FBLA Laura Bushko, Susan Meyer, Mike Shellman, Donna Kennison, Lisa Autenrieth, Carolyn Briant, Debbie Ratliff, Mary Brenneke, Polly Burre, Mrs. Venez.

# Vocational Classes Train Students

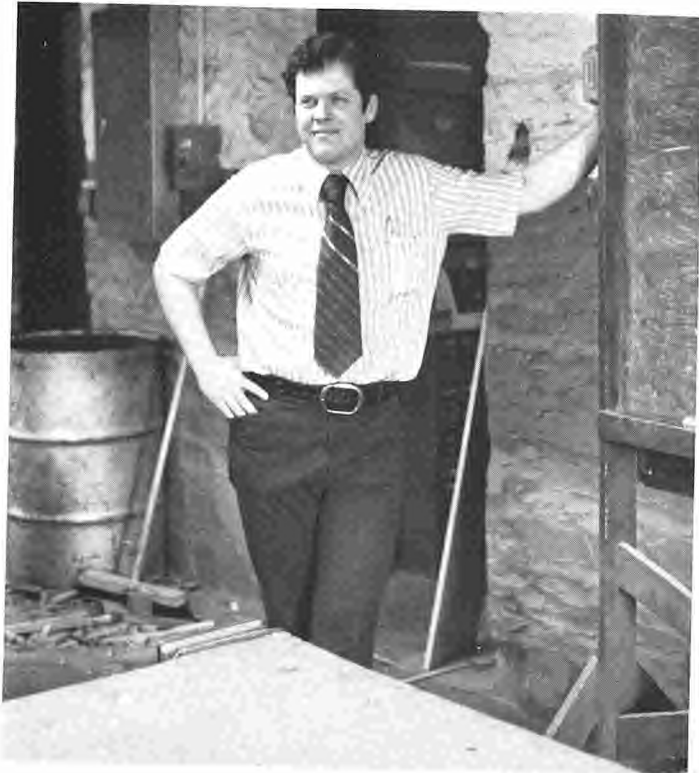

Students in Industrial Arts and Vocational Education Classes gain valuable knowledge for the future and for possible careers. Houses are built and cars rebuilt by the Building Trades and the Auto Mechanics classes respectively. Both of these classes meet three hours each day. Woodworking, Metal Shop and Power Mechanics cover other practical aspects of life. Drafting is offered to help prepare future architects for careers. Turning out printed materials is part of the responsibility of the Graphic Arts classes.

**LECTURING** to his class is Mr. Phillips.

**SMILING**, Mr. Luetkemeyer surveys his woodworking class.

**DATA PROCESSING** classes are conducted by Mr. Marsh.

# COE Students Work Toward Occupations

What is C.O.E.? C.O.E. stands for Co-operative Occupational Education. It is a three credit approval course in which students go to C.O.E. class for one hour a day and then work in the afternoon. They must have a schedule of four classes during their school hours.

The idea of C.O.E. is for each student to decide what their personal future occupation will be and then try to find a job to match their goal through the help of their teachers and counselors. Mr. Linhardt and Mr. Marsch are the instructors of this course.

Each student employee works an average of twenty-eight hours per week. During the class hours, material relating to business activities is discussed. A person could certainly say that C.O.E. is more than just another class.

# COE Opens Door to Opportunity

COE is not only a class study and work training program, it is also a club which was involved in many activities throughout the year.

Through lots of sweat and hard work, COE Club entered a motorized float in the Homecoming parade. Their theme was "Rock and Roll Heaven" which corresponded with the Homecoming theme of "Jasper Jay Salutes Rock and Roll."

Several club members attended the district contest of DECA held in Eldon. JC's COE had nine winners and Susie Schepker went on to State competition.

COE had two main money raising projects this year. One was the sale of JC jackets, jerseys, sweat-shirts, and polo shirts. The other was the sale of bumper stickers containing Jasper Jay and the JC emblem.

An annual banquet was held in the spring for students and their employers. Certificates of recognition were presented to the employers and Rebecca Roark received the Student of the Year award.

IF you see a car with this sign — better beware — student drivers are once again taking over the streets of Jefferson City. NOT ONLY is Mr. Gibbs one of the Driver's Education teachers, but he is also the coach of the golf team.

A DRIVER'S EDUCATION CLASS spends many an hour answering questions.

HEAD of the Senior High Driver's Education program is Mr. Jones.

KEEPING his class quiet is Mr. Hitz.

## Parking Lot—Orderly!?!

This year students at Senior High arrived to find their parking lot with lines! However, students were apparently not aware that the object of having parking lot lines is to park between them. For several mornings, the Safety Club worked very hard to make sure everyone parked properly. By the end of the year, thanks to the efforts of the Safety Club, most students were using the lines and the lot could actually be described as orderly.

DEPARTING for another adventure on the streets of Jefferson City is Mr. Hovis and a car of Driver's Education students.

# This Is A Yearbook Staff???

What is being on the Marcullus staff like? It's: "frustration, hectic, ubiquitous, busy indescribable, dumb, pix-pix-pix, gossip, work, impossible, perversion, lazy, brainstorming, chaotic, rewarding, wild, time-consuming, worth-while, hassle, nerve-racking, helluvalotawork, busy-busy-busy, fun, weird, ecstatic, canary, and tedious." At least it is according to this year's Marcullus staff.

Along with describing their feelings on what the Marcullus staff is like in one word, staff members had many different jobs. In order to meet deadlines pictures had to be set up and taken, lay-outs had to be drawn, copy had to be written, names had to be indexed, ads had to be sold, pictures had to be alphabetized, copy had to be typed, pictures had to be cut, and everything had to be pasted up and sent to the yearbook company.

In an attempt to keep their sanity the staff did take time to relax. A get-acquainted picnic was held in the summer, and a farewell picnic was held in the spring.

**101 POSITIONS TO DO LAYOUTS** as demonstrated by David Hall.

**DISCUSSING ADS** are Kathy Wilson, public relations editor, Erin Hiatte, and Tom Davis.

# Miss Bish, The Marcullus Thanks You

"Get those pages done on time; Sue and I don't want to stay up until three o'clock proofreading." "This is your book; I won't do your work for you and neither will your editors." "The book is really turning out nice; I'm proud of you." These were common remarks made by Miss Arlene Bish, Marcullus sponsor.

Miss Bish has been the sponsor of the yearbook staff for the past five years. If the hours she has spent proofreading and helping staff members were counted, they would probably add up to the millions.

When she first became the sponsor, the book was produced after school with no academic credit given to the staff members. Miss Bish fought for the staff, however, and a semester course with 1/2-unit of credit, along with an after-school session each Wednesday for the first semester, are now designated for production of the Marcullus.

Miss Bish has been appointed as the head of the business department for next year, and she doesn't know whether or not she will be able to teach the yearbook class. However, she has promised us that she will still work with the Marcullus after school. We, her staff, are both relieved and thankful that she will still be our adviser; for without her guidance and help, the yearbook, our yearbook, would never be complete.

**SITTING IN LUXURY** is a privilege awarded to Miss Bish and Mrs. Crews as they chaperone the editors' trip to Kansas City.

**PROOFREADING** is a chore for both Miss Bish and Sue Whitehead, editor-in-chief.

**UNVEILING A POINSETTA**, Miss Bish admires her Christmas present from the staff.

# Quill and Scroll Honors Journalists

Quill and Scroll consists of the outstanding students from radio broadcasting, the Red & Black, and the Marcullus. This is an honorary organization composed of Journalism members from any of these staffs.

A candlelight initiation was held in the little theatre with a reception following. The initiation was centered around the importance of the high school journalist. The qualities to be strived for were represented by 13 candles.

Other activities included a Christmas party and the Who's Who Contest which they sponsored in the spring.

# Who's Who at JC

Quill and Scroll sponsors a Who's Who contest at JC each year. The contest covers four areas of student life — organizations, academics, sports, and a representative from each of the classes.

The Student Council voted for one outstanding club member from the nominees presented by the club advisor. The faculty chose the outstanding student academically and the coaches chose the outstanding athlete. The outstanding students were chosen by their class members on the basis of such things as leadership, honesty, and contributions toward JC.

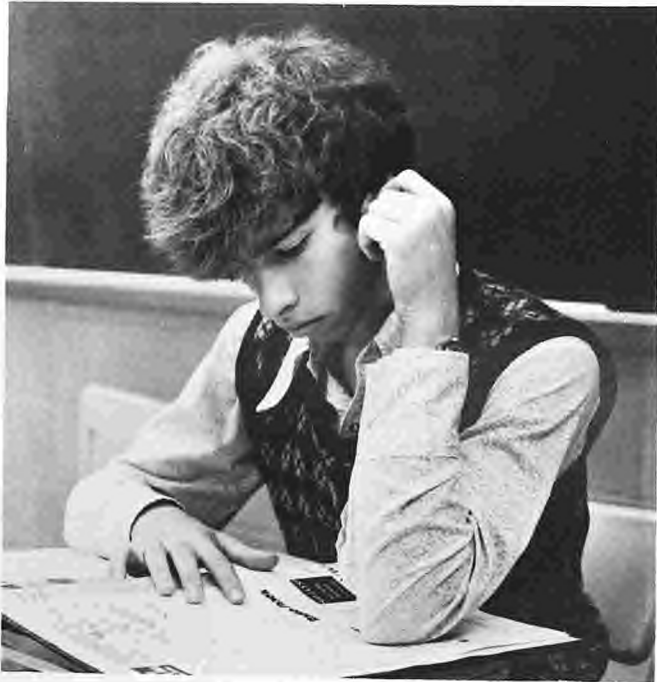

**ACADEMIC** representative is Steve Smart.  
**ATHLETIC** representative is Delbert Thomas.  
**CLUB MEMBER** representative is Brian Grandison.

# Red & Black has Super Salesmen

"Come on, you can afford a paper." "Don't you have any spirit?" "I only have five more copies to sell." If you haven't heard one of these sales pitches during the year, you probably haven't met a Red and Black member. And not ever meeting a Red and Black member is next to impossible because there were 26 people on the staff and they sold their papers every other Wednesday.

Sixteen issues were published this year including a Homecoming Magazine, a Christmas Magazine, a Memory Magazine, and two spirit issues.

Qualifications to be a Red and Black member are not only to be approved by the counselor, to be a senior, and to have an M or above average, but also to be a pressure salesman.

**READING PAPERS** from past issues helps Glen Davidson write his articles.

**EATING LOLLIPOPS** is how John Allison spends an hour in Red and Black.

**SELLING PAPERS** is a must for an industrious Red and Black member like Cheryl Seidel.

READING A RED & BLACK and knowing you helped make it brings pride to someone like Anita Vermillion.

# gology

I would like to say that this year's Red and Black staff was hard working, dedicated, prompt, loyal, honest, and a generally great group. I would like to say all of those things but I can't. You see, I cannot tell a lie.

However, I can stretch the truth a bit. I feel that the two words which best describe the staff are "totally insane." Seriously, the staff worked very hard in putting out the paper. The staff did not consume as many egg mcmuffins as many people would lead you to believe.

Many members of the staff had never written anything worth printing before this year. In many cases, this is still true.

There is not a whole lot I can say about this year's Red and Black staff so I would like to tell you about my pet dog. Her name is Gladys and she is a bulldog. In a way my dog is like the staff. They can both really get their teeth into things.

I would like to say a few words about the fearless leader of this insanity. She is Mrs. Brakke, the sweet little lady of room 101. Needless to say, without her encouragement and patience the publication of the Red and Black would be impossible.

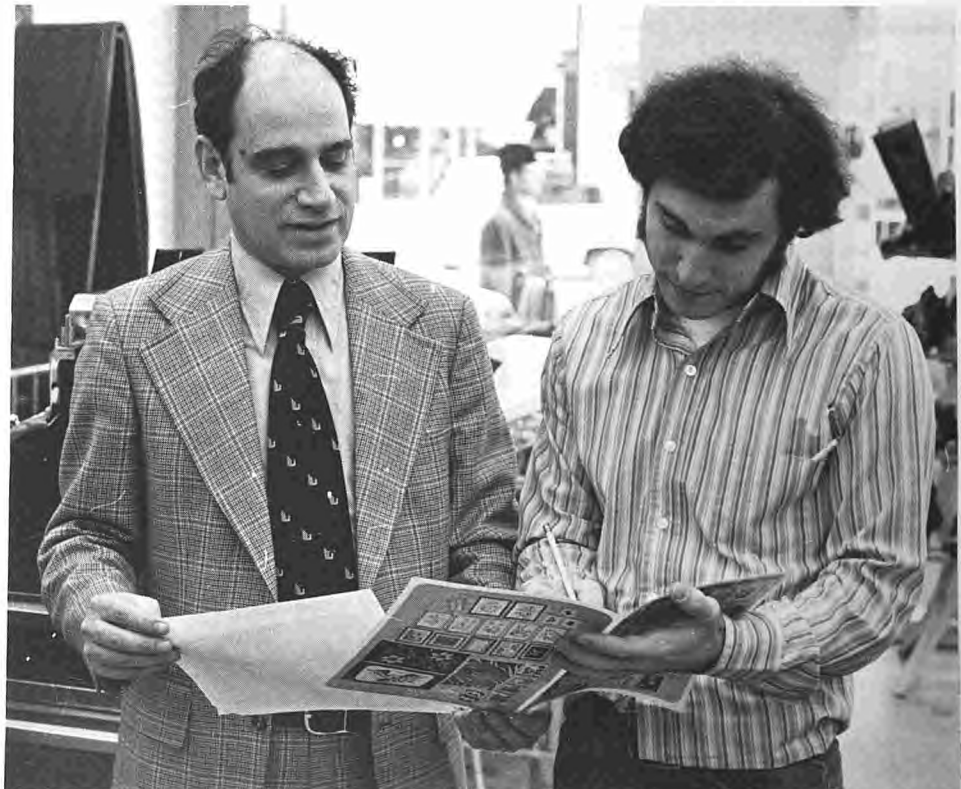

Being on the Red and Black staff was a great experience for all of the staff members and one, I am sure, that none of us will ever forget.

**NO CENTERFOLD**, but this student is still engrossed in the Homecoming Magazine.

**MAKING CHANGE** for Red & Black salesmen is a job for Jane Hicks.

**TAKING PICTURES** for the sports section is photographer Dan Newman.

# French Club Sponsors Mardi Gras

Voici les pages du cercle francais! or for those of you who don't speak French, "These are the French Club pages!"

To start the year, French Clubbers sold bumper stickers supporting the Jays. Then, at Christmas, they held their annual Christmas party with the Spanish Club, which included going caroling.

Despite all the work that was involved in the bumper stickers and Christmas party, French Club sponsored the famous French festival, Mardi Gras, traditionally held on the Tuesday before Ash Wednesday. Mardi Gras included the Can-Can girls, dramatic and humorous readings, and even

chocolate fondue. The Lab Band set the tempo for the celebration.

The King and Queen of Mardi Gras were selected by students voting for the prettiest baby pictures with a penny per vote. At Senior High, John Duke was King and Kim DeAtley was Queen. At Freshman High, Mike Bushman was King and Gabee Drake was crowned Queen.

"This has been a most successful year for French Club. All members have participated in and enjoyed the many projects and activities. The highlight of the year was probably the success of Mardi Gras," Mrs. Ravenhill, club sponsor, said to sum up the year.

**CHUCKLING** at an early morning joke is Mrs. Ravenhill during her first hour class.

## LC Has Good Times

Latin Club is an organization for any student who has taken a Latin course. What do they do? Party! The pressures of school lift momentarily as they gather at various times and places to celebrate anything that merits celebrating. Latin Club had a Halloween Party with JC Players and Safety Club, a Christmas Party, a combination Valentine Party and Pop Corn Pop and a Bowling Party.

Along with the fun and games, the club had a float in the Homecoming parade and competed against JC Players in the third annual Scholar Bowl. The club also attended the state convention in Columbia. As has become standard with Latin Club, the year began with their initiation of new members and was finalized with a spring picnic.

# Spanish Club Ventures Outdoors

Most of JC's clubs have their meeting at school or at someone's house. This year, Spanish Club held their meetings in the form of picnics. This was quite a change, because instead of going to a meeting, sitting for an hour and listening to old business, the members went to a park, played football or baseball and ate hamburgers. Although business was discussed, it was in a much more relaxed way. This year's club members sold red and black spirit balloons during Homecoming and built a float which won the first place trophy for the third consecutive year.

A club that works side by side with the Spanish Club is the Spanish Honor Society. In order to be initiated into this club one must hold an "S" or above average in Spanish and be approved by the advisors. About 30 students met these requirements and were initiated.

CHATTING before class are Mrs. Collins and Mrs. Baker.

# Storm Of Change Devastates History Dept.

**FLASH:** A small tornado has raided the history department. Where: 3rd floor of Jefferson City Senior High School. Major effects: more interest in the history program. The tornado left a path of mild destruction. When the dust cleared, a whole new set of courses and teachers appeared to start the new year. Students could now choose a course from electives such as Missouri history,

sociology, anthropology, political science, international relations, and comparative government. And what's even better seniors were no longer required to take contemporary issues. A semester of economics is the only requirement for them. The storm has left the 3rd floor with a more interesting history program.

**"YOU BIRD!** You don't know what dialectical materialism is?" cries Mr. Jankowski.

# More Students Get Involved in AFS

Membership of AFS soared this year because we had an exchange student for the full year, and the humorous skit performed at the Go-Week assembly. During Go-Week the club came in second in total membership increase.

Along with helping to look after the AFS student for the year, a major event of the club's calendar is the State AFS Convention. This was held on November 2 at school. The theme for the convention was, "Free to be you and me." Many foreign students with their host brothers and sisters, came from all over the State, and the activities provided were enjoyed by all.

David Cox hosted the club's Christmas party, and after a visit from Santa, Bryce Craig showed slides of his home in New Zealand.

Share Day, held in the Spring, is where the club sells shares around school to raise the necessary money to host next year's student. This is the major fund-raising activity for the year.

Officers were Ellen Baker, president; Renee Roberts, vice president; Connie Webster, secretary/treasurer, and new sponsor, Miss Jeanne Billings. Students involved with the club have found AFS a worthwhile way to learn more about people from foreign countries.

**DECORATING** the cafeteria was one of Pam Courter's tasks before the convention.

# AFS Student, Bryce Craig, Joins JC

Have you ever called home and wondered how your father could have such a strange accent? Well, this was but one of the many incidents Bryce Craig, this year's AFS student, experienced during his stay in Jefferson City. When he called home on Christmas to talk to his parents in southern New Zealand (you know New Zealand, it's that place by Australia) he was amazed by their strong British-New Zealand accent.

Bryce became used to life at JC in more ways than just the accent. He demonstrated this through involvement in several school activities. He belonged to AFS, Student Council, Quill & Scroll, and was a photographer for the Marcellus.

In New Zealand Bryce attended an all-boy public boarding school but he quickly became used to our co-ed school system.

Dr. and Mrs. Joseph Summers, Jr. and senior, Amy Summers, were Bryce's American family. In New Zealand his father is a sheep farmer and his mother is a housewife. He has an older brother and an older sister.

During his year as AFS exchange student, Bryce truly became a part of JC's student body. After all how many people can call our student body president "duddy" and get away with it!

## FHA Year Good

The Senior High Chapter of the Future Homemakers of America had a very busy year beginning in September with the installation of new officers and a visit to the regional FHA meeting at Central Methodist College at Fayette. The group held a joint Christmas party with FBLA and FTA. The three clubs also took a trip to St. Louis together in the spring. They visited the brewery, Missouri School for the Blind, and the Missouri Botanical Gardens.

In May, the group invited their mothers to attend the formal installation of the 1975-76 officers.

# Library/A-V Club Serves JC

The library is open for use all day, also before and after school. Besides just books there are many magazine subscriptions and extensive reference materials available. A record player and record library is also there for student use at any time.

The Audio-Visual Club was formed in order to give students an opportunity to work with A/V equipment. Members use study hall time to learn how to run projectors and the video-tape equipment. They also assist teachers by setting up and running A/V machines. Meetings for the club are held before school.

## Dedication Behind Music Department

"JC has spirit! Just look at all they do!" That is a fairly common quote from out-of-towners. When it comes to cheers, supporting the teams, and holding pep rallies — we've got spirit, yes we do. The word spirit is also used to describe the various musical organizations here at JC. They may be spirited but they have got something more than spirit. They've got dedication. When a group of students meet at 6:30 a.m. every morning from August to November or stay after school to practice for a jazz festival or meets at 7:50

in the morning on Tuesdays and Thursdays to polish music they learn in class or practice after school for six weeks to put on a successful operetta — that's dedication! One of the main reasons the program is successful is the marvelous directors involved. These are six men who generate a vitality and excitement that results in the fine musical organizations at JC. Pride, devotion, and spirit are all evident in the trophies, applause, and standing ovations received by the bands, choirs and orchestra.

"Squirt!" yelled the Jefferson City Marching Band during home football games as a secret battle cry. The Marching Jays are made up of both the Concert Band and Varsity Band.

The Marching Jays entertained the crowds with numerous halftime shows at all six home football games, won first place in band competition at the Veil-Profit Parade in St. Louis, and traveled to Lawrence, Kansas, to perform at the halftime of the Kansas-Nebraska football game.

The Concert Band was named the representative from Missouri to the Bi-Centennial Parade in Washington, D.C., in July, 1976, celebrating our nation's 200th anniversary.

From late in August to early in December, almost every morning of every week, the members of the Marching Jay Band arose early in the morning and drilled on their marching.

"The six thirty practices were hard on you, but it was cool to be a part of it all," commented Eric Lancaster, sophomore trombonist.

Although the six o'clock morning practices got a little tiring, it was truly worth it, when you look at all the accomplishment of the Marching Jays, 1974-1975.

# Pep and Jazz Bands Add To JC Music Program

The Jazz Band and Pep Band added much to the Jay Music program this year. The Jazz Band is the most experienced of the four Jazz groups, Lab Band, Stage Band, Studio Band, and Jazz Band.

The Jazz Band was visited this year by two guest musicians, Ed Shaughnessy of the Tonight Show and Woody Herman, and gave many public concerts and assemblies. The familiar "Go Jeff City" was played by the Jazz Band at the pep assembly.

The Pep Band went to all out of town football games to add support to the Jays. It's made up of about fifty musicians, including the Pom-Pon Girls.

"One of the funniest things about Pep Band is eating the pizza on the Pep Band trips," remarked David Cox, senior alto saxophone player.

"You really have to be devoted, because it takes a great deal of concentration and work," explained Margaret Hawes, junior trumpeter.

Both the Jazz Band and Pep Band were a part of the total Jay Music program.

# Lab and Stage Bands Put In Many Hours

Have you ever wondered who played the familiar "On Jeff City" at the home basketball games? It was usually the Lab Band or Stage Band.

Both bands practiced for the Marching Jays as well as for their jazz groups. This really took up a lot of their time, but the members didn't seem to mind the extra work.

The Lab Band, directed by Mr. Russell "Fire" Davis, won first place at the Southwestern Missouri State University Jazz Festival in their division, played at the Mardi Gras celebration, and played in the Jazz Band assembly presented for the students.

The Stage Band was directed by Mr. Jerry Hoover. They took second place in the same division as the Lab Band at the SMSU Jazz Festival and played in the Jazz Band assembly.

The Lab and Stage Bands put in many hours, but no one seems to complain when they hear the end result.

# Frosh Gain Experience

This year, the Freshman Band Program consisted of the Freshman Marching Band and the Studio Band.

The Frosh Marching Band members got up early almost every morning in the fall and drilled in the early morning air. It paid off well. At the Lebanon Christmas Parade, they won the Large Class Trophy for marching bands and the Traveling Trophy for the best band. They also marched in our homecoming parade and the Jeff City Christmas Parade.

The Studio Band, directed by Mr. Shollenberger, gained much experience this year, which resulted in two trophies for first place in the Southwestern Missouri State University Jazz Festival, junior high class, and second place at the Northeast Missouri State University Jazz Festival. They also gave an assembly for the Freshman student body and entertained at a Band Boosters meeting.

"Maybe sometimes it's inconvenient, but the end result makes all the work worth it; Band's a blast!" exclaimed trumpet player Bruce Herman.

# Choir Ends Year With Spring Concert

The Senior High choir department, under the direction of Mr. Burkel, again held their traditional and memorable performances this year.

The three choir classes, consisting of 10th, 11th, and 12th grade, Chorale, and 10th grade girls each prepared for their concerts separately. Then all groups were brought together in one or two practices to produce the outstanding quality that has won recognition for them for some time.

Performances were given in school assemblies for Thanksgiving, Easter, and Spring Concert. The choir sang at the Capitol for Veterans Day and Capitol Caroling, and at the Mansion to open National Music Week. They also provided music for the Marcullus Coronation. At the end of the year, a picnic was held for all choir members.

The freshman choir, under Mr. Healey, participated in Capitol Caroling and held their own spring concert for parents and the freshman students.

# Chorale Performs at Mansion

The Mansion Candlelight Tours, hosted by Governor and Mrs. Christopher S. Bond, featured the Jefferson City Senior High Chorale. Selections from Capitol Caroling were presented.

The 43-member Chorale, directed by Carl E. Burkel, has performed at various church groups, civic leagues, and school activities.

Each Chorale member is selected on the basis of his or her skill, knowledge, and performance of music. Early morning rehearsals help them prepare for their schedule of Christmas and Easter performances, not to mention others throughout the school year.

The Chorale does, and will continue to, represent the vocal department at JC.

**PRACTICES** in the morning prepared Chorale for their performances.

**SINGING** at the Mansion are Marcia Wright, Jane Reed, Jeff Presley, and Jodi Martin.

The concert mistresses are Melissa Landrum and Lorna Webster. Principals are Annette Couchman, Jon Beetem, Carl Drewel, and Mike Bushmann. Orchestra members can be found in many groups, including the Jefferson City Symphony; but you can also spot them in their "J. C. Wire Choir" sweatshirts.

# P.E. Undergoes Change

The word change is too mild to describe what happened to the physical education department this year. The department became specialized, geared to the individual. Each course concentrates on three particular sports. The students can enroll in the program they would enjoy most. This makes the class more enjoyable for the student as well as the teacher, because everyone is really interested in what is being taught.

**HEAD** of the Senior High girls' Physical Education program is Mrs. Mock.

**GIVING** instruction on the techniques of the trampoline is Mrs. Smith, a new face at Senior High this year.

**RELAXING** during study hall duty is Coach Toler. **BASKETBALL COACH** for the Senior High Basketball Jays is Mr. Maloney.

**A PEP TALK** by Coach Adkins during a pep assembly is an annual event during football season.

# GAA Promotes Girls' Sports

Girl's sports may seem new to some at JC, but it's not new to all girls. The Girls Athletic Association, better known as GAA, has been in existence for several years. The goal of this organization is to promote sportmanship and teamwork, and to perfect the skills of each sport.

With the aid of Mrs. Mock, Mrs. Smith, and Mrs. Ames, GAA members participated in basketball, volleyball, softball, badmitton, hockey, gymnastics, and many other sports.

Along with participating in all of these sports, the girls entered a walking float in the homecoming parade, had several bake sales, bought club t-shirts, and sponsored a powderpuff football game in which the senior girls played against the "underclasswomen."

The members completed the year with a spring picnic and an awards presentation.

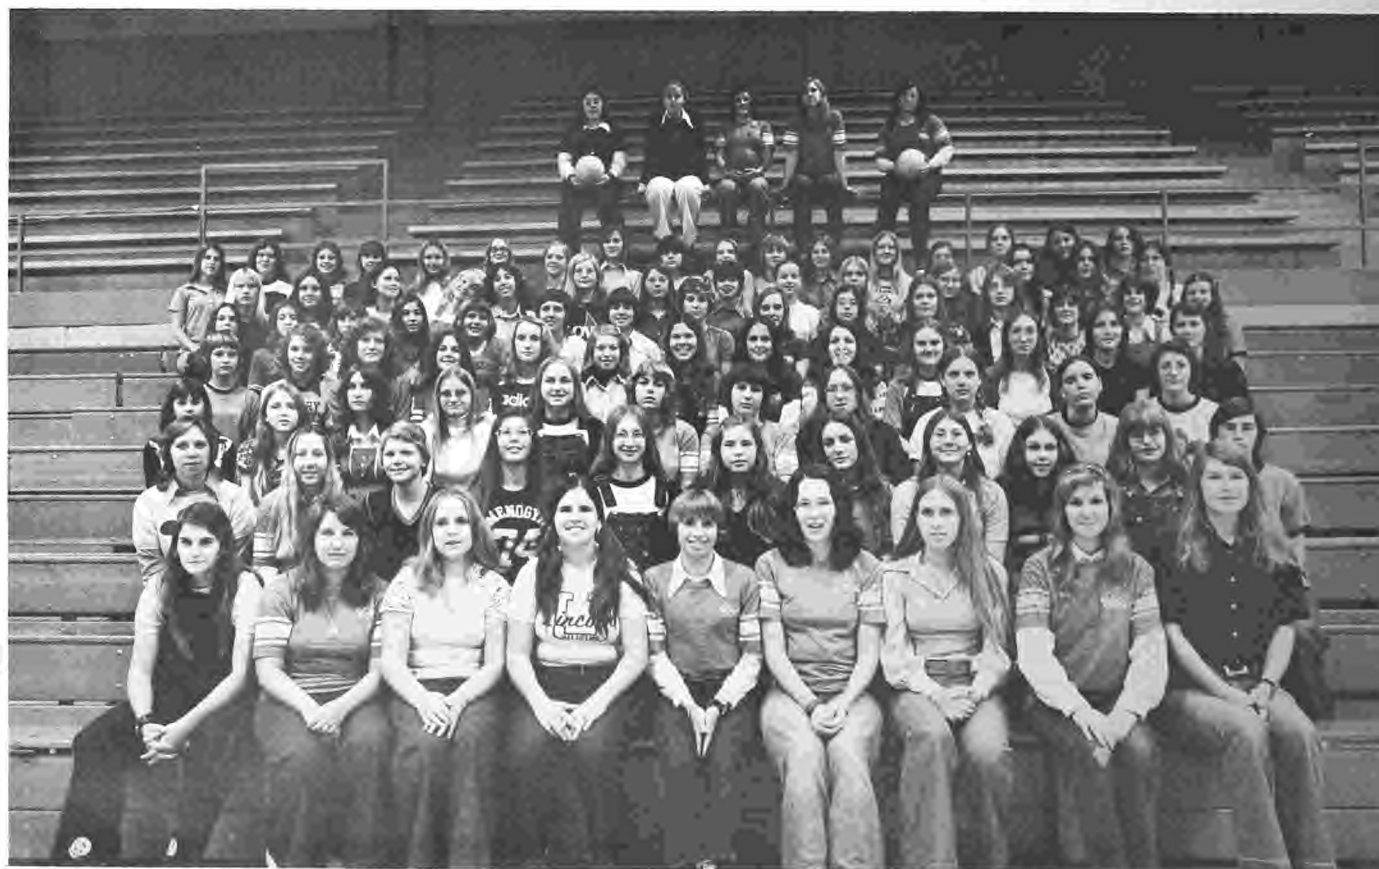

**FREE THROWS** are practiced by GAA members. **SHOOTING BASKETS** are sponsored by Mrs. Mock and Mrs. Smith.

**UFO's** are often seen when GAA members use the trampoline. **WALKING THE LADDER** is a routine for athletic-minded girls.

PLAYING PING-PONG is one of the variety of sports enjoyed by Rachell Rousselot and Julie Beetem. T-SHIRT DESIGNS are described by president Cindy Goff at one of GAA's business meetings.

# Jayettes Reminisce on Past Year

Being a Jayette means a lot of different things to different people, including dependability, responsibility, and thoughtfulness. Through the leadership of Mrs. Mock, with help from Mrs. Ames and Mrs. Smith, Jayettes have become a well known and much respected organization all over the state.

Jayettes not only cheer at home games but also attend out of town football games and basketball games. They earn merits by making signs, selling ribbons, saving seats, working in the concession stands, serving at banquets, and by attending wrestling meets and girls' volleyball games.

It has become a tradition at JC for the past several years for Jayettes to perform in the halftime show during the Homecoming game. This year, after many early morning practices, the girls learned dance steps to "Rock Around The Clock" and "Lovebeat."

To end the year, awards were presented at an annual picnic at McClung Park.

**WE LOVE YOU JAYS** tells it all, as senior Jayettes wait for our team before a football game.

**TOP TEN JAYETTES** are Kris Toft, Donna Green, Melinda Dolan, Tina Scarr, Laura Sanders, Jennifer Mallory, Ruth Anne Erhardt, Sharon Maasen, and Sandy Haslag.

**AS THE SUN SETS** on the Jayette picnic, the girls reminisce on the past year.

# Girls Participate In ROTC

There's a new look around the halls this year—girls in ROTC uniforms! This is the first year girls have been permitted to enroll in the ROTC course. They are issued female cadet uniforms and participate in drill, color guard presentations, and other activities offered by the program.

No, girl cadets do not wear pants. Their uniforms are tailored suits consisting of solid colored skirts, blouses, and jackets. All cadets are required to wear their uniforms once a week and for assembly and game presentations.

Many male cadets have viewed the new additions with mixed emotions, and some have even been surprised by the possibility of girls being interested in military affairs; but as one cadet put it, "It sure livens up the field trips."

**GIRL CADETS** take part in the opening of basketball games. **VISUAL AIDES** help cover all aspects of ROTC.

# ROTC Marks Eighth Year

An eight ball was the center theme at the annual ROTC ball to mark eight years of ROTC in the high school curriculum at JC.

George Huey and Gary McGowan, chairman and co-chairman, headed the committee of six ROTC cadets. Shawn Payne, master of ceremonies, directed the night's entertainment as everyone danced to the tunes of Elias Springfield. Serving refreshments were mothers of ROTC members. The attendance surpassed the previous seven ROTC balls.

Colonel Taylor summed up the theme saying, "There have been eight years of ROTC, and we would like to think that this year we are on TOP of the eight ball!"

ROTC OFFICERS open the ball with the first dance.

# ROTC Awards Given

The annual ROTC Awards Night was held this year to acknowledge outstanding cadets and to present them with trophies, plaques, and ribbons. National awards were also given by local organizations. Speeches were given by Colonel Taylor, Sergeant Benton, Mr. Fleming, and guest speaker, Jack Plympton, of the Civil Air Patrol program.

Officers of ROTC were given recognition by both the Sons and Daughters of the American Revolution, the American Legion, and the National Sojourners. Others were cited for outstanding leadership, and for honors in their respective years in the ROTC program.

ROTC completed the year with a trip to McDonnell Douglas Aircraft Corp., State Drill Championship contest in which they took fourth place, a mock court trial put on by the cadets, and a spring picnic.

# Science Teachers Honored

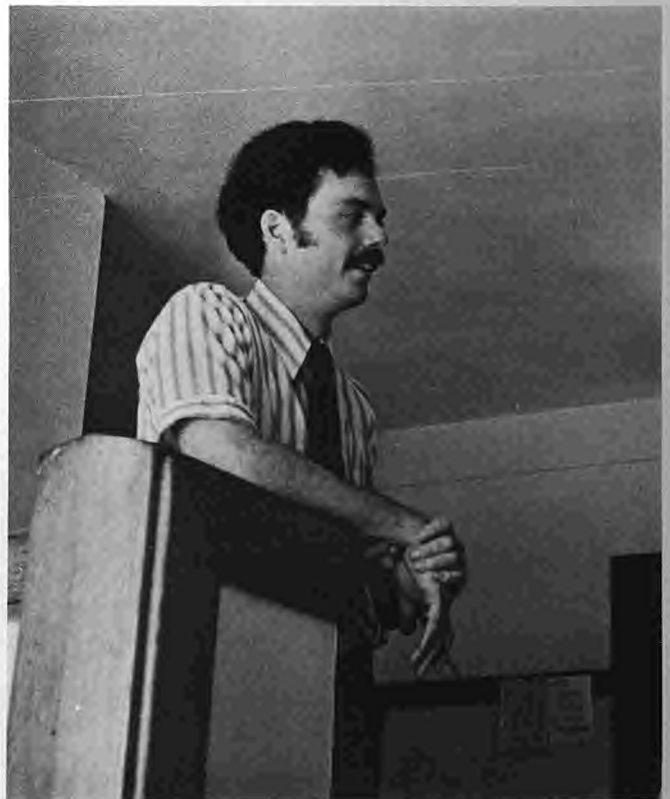

The Science Department continues to acquaint students with the marvels of science through the Physics, Chemistry, Biology, and Physical Science classes. For the more advanced biology students Zoology and Botany are offered.

Mrs. Stanford was honored by the Conservation Federation for her accomplishments with the 1974 Conservation Educator of the Year award.

After 28 years of teaching at JC, Mrs. Link retired at the end of the 74 - 75 school year. Her room will always be remembered for its abundance of plants, especially violets. Mrs. Link was recognized at the CTA banquet held at the end of the year.

# Science Club Wins Homecoming Float Competition

The year started well for Science Club when they were awarded first place in the Homecoming Parade for their float entitled "The Leader of the Pack."

The fight against multiple sclerosis was a major part of this year's club activities as club members once again participated in the local M.S. drive. Other Science Club events included the sponsoring of a bike day and a skating party.

Club meetings were often highlighted by guest speakers such as a pathologist who presented a talk on diseased tissues and listening to a State Health Department official discuss the influenza outbreak in the Jefferson City area. Science Club helped run the concession stands at football and basketball games, participated in the all-school carnival, and ended their activities with a bi-annual trip to Tennessee.

# Radio Offers Broadcasting Experience

"Join us again tomorrow for another edition of JC 75." That was a common phrase heard during the course of the year as JC 75 was once again on the air. Each day from 3:00 to 4:00 p.m. on KLUM-FM, the students of the two radio-broadcasting classes at Senior High produced a one hour radio show of school news, relevant interviews, and music of their personal tastes.

This was the second year of production and expanding to two classes gave more students the chance to get practical experience in the field of radio broadcasting. Students were permitted to run the equipment totally on their own. It was their responsibility to produce a quality show.

The class also took a field trip to St. Louis to visit some of the major television and radio stations.

**PLAYING** a cart for his show is Brent Ghan.

# Squad Spirit Creates Success

"Most people don't realize the time involved, the amount of books you look through, the frustration, the time you spend memorizing and correcting. Then after the selection is memorized, you find something doesn't fit so you learn it all over again, and all of this takes place even before you leave Friday morning for the tournament," says Todd Ambs, a debater and member of this year's Speech and Debate squad.

"Whether it's to Springfield, St. Louis, or Kansas City, the bus ride is always the same. Everyone is joking and trying to have a good time, but there is always someone who spoils it by asking, 'How far is it?' Then you realize how nervous you are and how bad you want to do well," reminisced Richard Hall.

"When you're in a round you can usually take a quick look and tell immediately who's competing. The contestants are the ones you see talking to themselves and scribbling on their tournament schedule," commented Marcia Wright.

As Denise Rinne remembers, "You sit there and watch all the trophies being presented, then suddenly you hear them call your name and receiving your trophy makes all the nervousness and hard work worthwhile."

Tricia Jones summed it up best when she said, "The closeness in the Speech and Debate squad has a kind of spirit, not just school spirit, but a spirit which you can only get from being with somebody, win or lose."

The 1974 - 1975 Speech and Debate Team won a record 67 trophies, including six Sweepstakes (first place) awards.

**DEBATE** Row 1: Todd Ambs, Tricia Jones, Kelly Keefe, Row 2: Janet Smiley, Sandy Braun, Tawna Jenkins, Steve Johnson. Row 3: Ernie Newborn, Dane Jablonsky, Eddie Cohen, Bob Trice.

# JC Players Do More Than Act

Most people at JC think that the spring and fall plays are the only activities of JC Players. It is true that many hours were spent by members to make the two plays a success; however, JC Players' activities aren't all dramatic events.

A minimum of thirty merits is required to remain an active member of the club. In order to obtain these merits, students help in the construction of the homecoming float, participate in a Go Week Student Mixer, hike in a Hunger Walk-a-thon, and attend the Christmas party. Members also perform in Thespians Evening of Drama, as well as assist with the sound, backstage, and lights for the operetta. Another way in which JC Players earn merits is through participation in speech tournaments, where they perform memorized dramatic and public speaking selections.

**THE FLOAT** was a major activity of JC Players this year. **LAUGHING** at another corny joke are Corey White and Scott Schlotz.

**SANTA** listens intently to Gabee Drake's lengthy Christmas list.

# Teamwork Brings Success

For JC Players, acting is not the only aspect of the fall and spring plays. Many hours of work are spent by students on properties, make-up, and tickets. Other students participate in back-stage, lighting, technical and rope crews in an effort to keep the plays running smoothly. All of these people are important facets of the two plays and without them the productions would never be complete or successful.

**CLOWNING AROUND** at fall play rehearsal was a favorite past-time for cast members.  
**REHEARSING** for the district speech tournament was a major event at this meeting.

# Thespians Do More Than Share Jokes

If you heard someone in the hall talking about "Booboo and his picnic basket," you weren't hearing things. More than likely, it was just a member of Thespians sharing one of the club's inside jokes.

However, being in Thespians isn't all jokes. To be eligible for membership in Thespians, a student must be a member of JC Players, and earn at least one hundred merits in one semester. This student has to have participated in at least three areas of drama in which the club is involved. Once in this select group of JC Players, the student must maintain at least fifty merits a semester to continue as a member.

This year, as usual, Evening of Drama was the major event for the club. Along with Evening of Drama, the other major objective of the club is excellence in speech and drama activities of any kind. Not only do Thespians participate in speech tournaments and spring and fall plays at the school, but some Thespians have been involved in the Jefferson City Little Theater as well as dramatic workshops.

At the end of each semester new members are brought into the club through a formal initiation. They celebrate by going to church and to dinner together.

**CUTTING UP** are Jennifer Bauer and Janis White.  
**GRANDMA AND JESSIE** share a conversation in the fall play.  
**THESPIANS** discuss upcoming club activities.

LOOK AT THE CATERPILLAR!" screams Norvel (David Gale) to the captain.  
 "SHE'S THE ONE," cries Mrs. Warner (Kelly Waldo) in the "The Lottery."  
 "IS ANNE THERE?" asks Paul (Dan Brown) while Becky (Sarah Dawson) pesters him.  
 COLLECTING STONES for the big event are Davy (Ken Witherbee) and Tomasina (Becky Brown).  
 "I'LL FIND MR. SPIDER," says Bat (Mary Fine).

# Mishaps Don't Hamper Thespians

"It all seems like a big hassle, but when performance night rolls around you find out it's really worth it," reminisced Corey White. This was the general feeling of the cast members of this year's Thespians' Evening of Drama.

When dress rehearsal time arrived but the props for "The Little Man Who Wasn't There" hadn't; the student Thespian directors Ellen Baker and Renee Parker began to worry. Mr. Anderson also worried about this one act comedy when he discovered that their props included an issue of Playboy.

"Butterfly Buffet," the other one act comedy which was presented, had its problems also. The student directors, Buddy Gillespie and Janet Smiley, became extremely frustrated when David Gale's costume shorts kept falling to his knees during the rehearsal.

Stones were a major part of the dramatic play "The Lottery." So it was no wonder that student directors, Jennifer Bauer and Tricia Jones seemed a little concerned when the first rock, thrown in a rehearsal not only missed its intended victim but also missed the stage completely.

Thespians' Evening of Drama had its share of problems, but by opening night most of the little problems were ironed out. The two-night production went off on schedule and was very well received by the audience.

**BACKING AWAY** from Spider (Sandy Braun) is the captain (Margaret Hawes).

"PSSST," whispers Mr. Siggzy (Randy Souden)

**ANXIOUS ONLOOKERS** await the arrival of more town members.

A CORSAGE was given to Mrs. Malone at the spring banquet. PAPER WORK takes up a lot of Mrs. Zimmerman's time. GOOD FOOD AND FRIENDS were enjoyed by the members of the Work Study Program at the annual spring banquet. THE WORK STUDY SPRING BANQUET was attended by Mr. Goser.

# Work Study

## Valuable to Students

The Work Study Program was set up by the Missouri Department of Education in order to help the Special Education student. The program provides educational and vocational services for secondary level students from 16 years of age. The leadership of the program is provided by the Vocational Adjustment Coordinator, who is appointed by the school board. Vocational Adjustment Coordinators for JC are Mrs. Virginia Malone and Mrs. Wanda Zimmerman.

The Vocational Rehabilitation Section offers services including (a) medical evaluation along with follow-up medical services, (b) work potential evaluation, job goal guidance, and counseling, (c) job placement and follow-up supervision, (d) occupational tools, equipment, and licenses, (e) vocational training including provision for tuition, fees, books, supplies, maintenance, and transportation to and from trade or commercial schools.

The student-worker is scheduled into select regular classes. He is also to be involved in most normal school activities. A student may also audit (that is, to sit in on regular sessions of special interest to them) classes not in their schedule. A class in Job Readiness is also taken to prepare the student to cope with practical aspects of his future placement in the open job market.

**STAPLING TOGETHER** papers from her class at Freshman is Mrs. Engelbrecht.

**THE FRESHMAN** Work Study Class listens attentively to Mrs. Engelbrecht.

## Counselors Are Busy People

Perhaps some of the busiest people in the school are our counselors. Have you ever gone by the counselor office and seen it empty? If so, it is a rare sight.

Over two thousand schedules go through the counseling offices each year. This, along with helping seniors with college and other future plans and other general counseling duties, keep our counselors busy and the office usually filled with people. They are a valuable asset to Senior High. Without them we would have great difficulty surviving.

JC OFFERS MUCH in helping to choose the right college. HEAD of the Counseling Department at JC is Mr. Rogers. THE COUNSELOR at Freshman High is Miss Weir. PUNCHING OUT the computer schedule cards is Mrs. Patterson.

**"BUT he can't take girls PE!"** cried Mrs. Freeman.  
**SCHOOL NURSE** is Mrs. Wilson.  
**AN ENCOURAGING SMILE** from Mrs. Gibbs is welcomed by students.  
**"ONE DOWN and 1597 to go,"** sighs Mrs. Shipley.

# Service At JC Is Great!

**THE COUNSELOR'S** secretary is Mrs. Clark.

**ANSWERING** another phone call for an absent student is attendance secretary, Mrs. Roedel.

**ADULT NIGHT SCHOOL** enrollment is handled by Mrs. Idel.

**SORTING** the morning mail is Mrs. Dreps.

**ONE** of the secretaries in the Senior High office is Mrs. Adams.

**ATTENDANCE** is kept at Freshman by Mrs. Howser.

**TAKING** a note for one of the principals is Mrs. Schwartz.

**A SECRETARY** at Freshman is Mrs. Shollenberger.

**CHECKING** the grades at Freshman is Mrs. Hohenstreet.

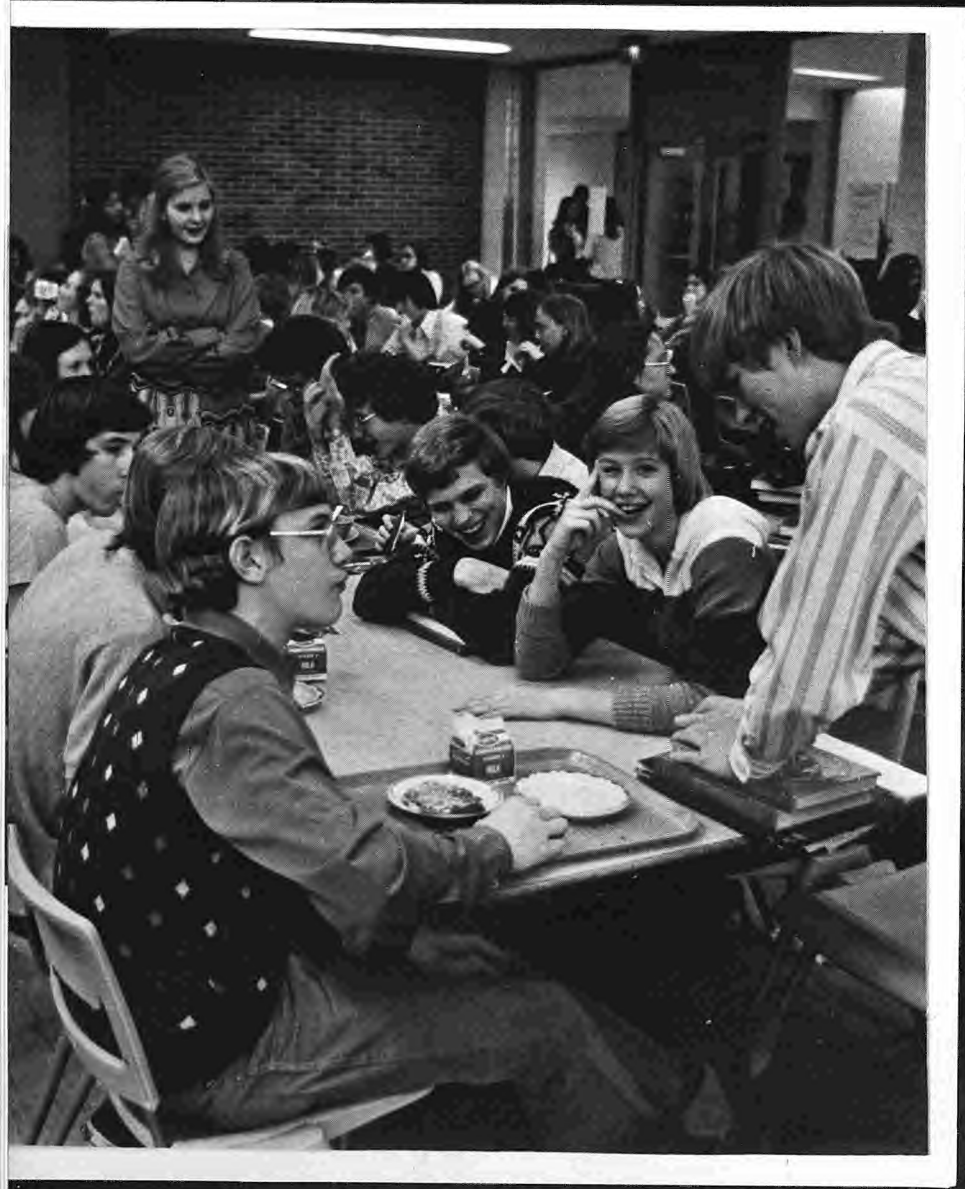

**THE COOKS** at Senior High are Laura Erhardt, Carolyn Altis, Eva Horstman, Marjoree Wilis, Eunice Daniels, Shirley Benton, Esther Lutz, Janet Mick, Ralane Arand, Selma Brown, Eileen Cremer, Olivia Erhardt, Manager Rita Loveall, Mildred Burk, Ethel Lynn Beck, and Carolyn Meister.  
**EMPTYING** the coffee pot is Freshman custodian, Herb Siebern.

**MATRON** for Senior High is Mrs. Carrie Bell's official title.  
**THE COOKS** at Freshman are Mary Amend, Anita McGee, Carolyn Willis, Marie Rackers, and Manager Helen Wykes.  
**ONE** of the custodians at Freshman is Tom Larimore.  
**HEAD CUSTODIAN** at Senior High is Howard Dawdy.  
**SWEEPING** the halls between classes are custodians Lawrence Schepers and Merle Gieck.

"I really get excited at pep assemblies, but the spirit at a Jay game can't be described."

# STUDENT LIFE

"We're from JC, couldn't be prouder, can't hear us nōw, we'll yell a little louder!"

Pride and spirit, the heart of JC, glows on the faces of those who enter it's doors to be a part of a unique high school.

To grow up in an atmosphere such as JC is indeed valuable in molding one's character. Though it is possible to lose on a scoreboard, as a student body and as individuals we can still be victorious.

Everyone contributes to life at JC in their own way. Many times there are no explanations for the crazy moments captured on film or what made the good times.

The satisfaction of pride and the traditional spirit JC is known for makes student life and growing up full of unforgettable experiences and memories.

The freshman class once again took the distinction of being the biggest and, as they liked to think, the best class. The election of class officers at the beginning of the school year saw a change in an age-old institution: male-run politics. The guys let the girls take over, putting females into the top five offices.

Jan White was elected to fill the position of president. Gabee Drake and Ann Monaco took the offices of vice president and secretary/treasurer, respectively. Steve Branson, the only male in the six-person crew, worked with Donna Kullman and Carrie Vance as class representatives.

"Another meeting at Senior High! That means I have to find a ride over there, or else walk."

Down through the years, similar complaints have been heard from scores of freshmen, about their "isolation" from Senior High. It has always been a problem for the frosh to get to Senior High for after-school meetings, to get the freshmen to and from the Homecoming and awards assemblies, and to get the freshman orchestra members to JC for class.

This year's freshman class, the Class of '78, has a special distinction. It is the last class of ninth graders scheduled for a full year at the Freshman High Building. By January, 1976, the Vo-Tech building will be finished and the Class of '79 will be moved to JC midway through the year. Eighth-graders will move into the vacated Freshman High School.

## Freshmen Create Xmas Play

The freshman of '75 experimented at Christmas by writing their own play. It is traditional for the speech class to present a play, but it is a change for them to write it, as well. And that's the theme they chose: The Traditional Christmas vs. the Modern Christmas.

Lisa Schneiders and Pam Borgmeyer narrated the traditional story. Modern Christmas was told by Debbie Findley. A "typical" family portrayed the modern version: the father, played by Billy Diersing; the mother, Rita Roberts, and the children, Jan Colter and Stacia Steppelman. Their babysitter was Kim Hall. Greg Willenbrink was the neighborhood policeman. Santa Claus was portrayed by Tracy Armontrout. His helper was Jon Kirk, who doubled as the weatherman.

Mrs. Cathy Dean, Speech teacher at Freshman High and director of the play, said it was an experience for all—feeling the true spirit of Christmas and also the new view that "Santa wears bell-bottoms and drives a Mustang II."

# Involvement Holds Key

The dictionary says that "involvement" is "being included as a part of." This year, about fifteen freshman girls made it a point to be involved, to be a part of the spirited JC population. Because Jayettes aren't required to go to any but varsity basketball games, the younger Jays don't get much support from fans. These girls formed a sort of renegade cheering squad just to yell for the Freshman Jay basketball team. Just to prove that they were "all for one, one for all," they adopted a uniform of sorts that featured a bright red T-shirt with big black letters labeling the squad "Jays '78." And just to prove their all-around spirit, they not only wore the shirts to basketball games, but also to school and all the time thereafter.

Spirit is a mark of a good school. And spirit like the kind in the Class of '78 marks JC as just about the best around.

## Band Takes Trophy

The Freshman Band enjoyed a successful year with many varied activities. They performed several concerts, including the traditional Band Night and the Spring Concert.

The band also enjoyed a fine marching season with drum major Mike Gillilan and twirlers Stacia Steppelman and Shawna Shirley leading the ranks.

They performed the Freshman Night half-time show and joined in the Homecoming halftime activities. The band was also seen in the Homecoming and Christmas parades. Their biggest triumph was the Lebanon Christmas Parade where they not only took first place in their division, but also captured the trophy for best all-around band.

# Freshman Jays Win in Football

The Freshmen Jays completed a winning football season with a 5 - 0 - 1 record. They scored 90 points total as compared with only 18 points by all their opponents combined.

Mark Englund and Keith Wilson were the leading scorers for the Frosh Jays. Englund, a halfback, scored in every game and led the team in rushing with 500 yards. Wilson, a quarterback, gained 400 yards to his credit.

A strong defense was held by Chuck Minze, tackle, and Bill Barbour, linebacker, with 103 and 58 tackles respectively.

The offensive line's spirit held high under Greg Allen, Curt Braun, and Bill Barbour.

The special skill of the Jays could be summed up with the words of Tony Sloan, coach of the Columbia Jeff Jr. Cyclones, "A typical Jeff City ball club — real tuff."

# Sophomores Sponsor Basketball Game

The Sophomores elected Chris Leslie to the office of President, along with Paul Engelhart as Vice-President for the 1974-1975 school year. Their back-up crew consisted of representatives Cyndi Stalcup, David Hall, and Lisa Storey. Gayle Evans acted as Secretary-Treasurer.

The sophomores started off their busy year with a homecoming float titled "Rock the Boat."

A memorial to Mark Fischer was placed in the library by the class. They earned their money by selling programs at a Jay football game and sponsoring the student-faculty basketball game.

Paul Engelhart remarked, "Being on Student Council was a change for me; a lot of hard work, but well worth the time."

# Splashing Sophs

Swimming is fun, right? It's what you do when the summer sun gets really hot, right? To four sophomores, however, swimming means more than just fun and a way to cool off in the summertime. Dan Teubner, Eric Lancaster, Chris Leslie, and David Hall are all members of the Jefferson City Swim Club, and swimming means a lot of work to them. The end of summer and summer sun doesn't mean the end of swim practice, either. The team simply moves indoors to Freshman High's pool, which is heated (most of the time it is, anyway). Under the coaching of David Brohn and Mr. Dick Hall, the team puts in about two hours of practice each school day, once at 6:45 A.M. and then again after school. The typical workout involves about 4000 yards of the four competitive strokes — freestyle, backstroke, breaststroke, and butterfly.

David Hall sort of summarized the whole business of swimming in competition when he said, "It's a really different thing to do, especially when the water (at Freshman) turns green."

## Actors' Talent Shines

Drama has found its place in the JC Fine Arts department and several sophomores this year found their place in drama.

In the fall play, *The Thread That Runs So True*, five sophomores were cast. They included Lisa Parrish, Mary Donnelly, Kelly Waldo, Jan Roy, and Becky Burgess. Kelly, Lisa, and Mary made repeat performances in Evening of Drama. They were joined by Karla Baker, Susan Toft, Julie Hurlbut, Becky Schwartz, and J.R. Greiner in the one-act plays, *Butterfly Buffet* and *The Lottery*.

About fifteen sophs were involved in the operetta, *Showboat*. Two captured leads in the production; Sylvia Morris landed the role of Queenie and Frank Prevost portrayed Pete.

# Sophs Take On JC

Look out Senior High; here come the Sophomores! Every year a new batch of sophomores enter the halls of Senior High with mixed ideas and emotions on what to expect.

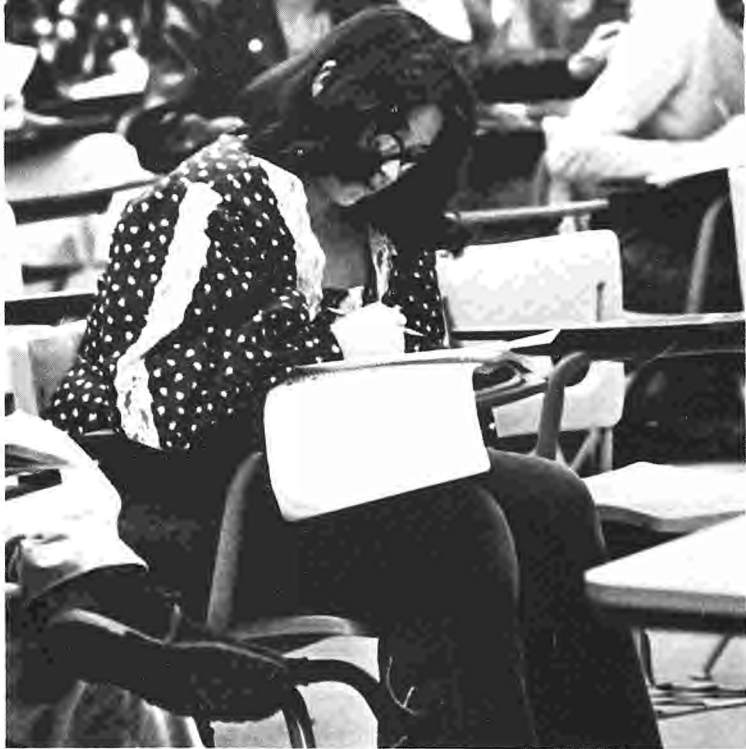

"There are more freedoms than there were at Freshman High," says Keith Enloe, while Karla Neutzler adds, "When you come to Senior High you get a chance to show your School spirit and support the Jays!"

Nevertheless, some sophomores preferred Freshman High: "You didn't gag in the bathroom," recalls Richard O'Neal.

"At Freshman you could meet more people than you even knew existed," says Pam Reed.

Feelings conflicted on which school was better, but Kay James summed it up by saying, "Its not really the school itself that counts, but the people who go there."

# What's A Viola?

One of the really talented sophomores this year is Jon Beetem. Jon plays viola and plays it well, as evidenced by the many activities in which he has performed. In addition to his work with the high school orchestra, Jon performs with the Jefferson City Symphony. Symphony involves about two hours of rehearsal a week and three concerts given as part of the Community Concert's program. This year Jon was part of the *Showboat* pit orchestra; he has also played in the pit orchestras for several other community productions. On Tuesdays, Jon helps the fifth-grade orchestra with the tuning of instruments and transposing of music. His activities now prove him to be an extremely talented young person; they also provide him with a good background for a musical future.

*Live each day to the fullest,  
 Get the most from each hour,  
 each day, and each age of your life.  
 Then you can look forward  
 with confidence  
 and back without regrets.  
 Be yourself — but be your best self.  
 Dare to be different  
 and to follow your own star.  
 And don't be afraid to be happy.  
 Enjoy what is beautiful.  
 Love with all you heart and soul.  
 Believe that those you love, love you.  
 Forget what you have done for your friends  
 and remember what they have done for you.  
 Disregard what the world owes you,  
 and concentrate on what you owe the world.  
 When you are faced with a decision  
 make that decision as wisely as possible,  
 then forget it.  
 The moment of absolute certainty  
 never arrives.  
 And above all, remember that God helps those  
 who help themselves.  
 Act as if everything depended upon you  
 and pray as if everything depended upon God.*

# Rod Represents JC

A sophomore is elected annually by his class to represent the school at the Sophomore Pilgrimage. The event is sponsored by the Missouri Federation of Women's Clubs. This year the tenth-graders voted Rod Burnett their representative to the Pilgrimage from a list of 46 nominees. Rod joined over 400 sophomore representatives from high schools across the state on April 8.

Each year since 1934 they have toured the Legislature, the State Capitol, the Executive Mansion, and the Supreme Court. Following the tour, the delegates were honored with a luncheon at which six state officials spoke.

Voted second and third highest were Mark Abernathy and Gayle Evans.

The Junior class voted John Ruth as their class president. David Coon acted as vice-president and Teresa Huls served as secretary-treasurer. The offices of representative were held by Susan Bodamer, Richard Hall, and Anne Jarrett. Juniors were in charge of working concessions during football games to earn money.

The three representatives went to St. Louis to attend the MASC convention. During the convention they got the chance to talk with students from other schools about the problems in their schools. When Susan Bodamer looked back to when she went to the convention, she said, "Being on Student Council made me feel more involved in JC and by going to the MASC convention, I felt really proud of our school."

## What Is A Friend?

Who is the friend we meet in high school? He is the one we share the events of the school year with. The high school friend is the one whom we call to go to the game, or see the play, or the one you talk into joining a club with you just because you don't want to go to the meetings alone. But more important than the good times that are shared, we look for a friend who will stay with us in the bad. For the first time we are consciously choosing our friends.

Those friends we choose in high school are, perhaps, the first people we have looked at and carefully chosen to be our friends on the basis of our own personal values. Because of the time we spend together, those friends are helping us to grow, shaping our personality for adulthood. Not only are we growing by having friends, but also by being a friend. "To have a friend is to be a friend."

# Juniors Host Prom

"Goodbye Yellow Brick Road" was the theme for the 1975 Junior-Senior Prom. Months before the actual date of the dance, preparations were started by the Junior class, the traditional host of the prom. Money is earned by working concession stands during the football season to help pay for the band and the decorations.

The decorations for the gymnasium were highlighted by a bridge constructed for the grand march. Buddy Gillespie and John Ruth announced the couples as they crossed the bridge, while Jacque No Padno played theme music in the background.

Many Juniors put in long and hard hours to make the 1975 Prom what it was. Laura Bushko, general chairman for Prom, commented, "Everybody worked real hard and we accomplished quite a bit. I think the 1975 Prom was one of the best ever!"

# Have You Heard the Latest?

It's 8:00 and there's nothing to do, so you walk the halls. As you walk around, you see all the familiar sights — little groups clustered around lockers, the corners, and just standing in the middle of everything. These "groups" aren't discussing the world situation or debating homework answers; what are they talking about?? — probably other people who are walking the halls!

A common term for this is gossip. On Monday you can find out who, when, why, where, and how about any name that comes up. The problem is — is it true?

Before you pass along juicy tidbits to your friends, be sure of the facts. Better yet, don't pass it at all. One of these days when you ask a group for "the latest," it just might be about you.

# We Were Juniors Not Long Ago...

The year was a good year, we must admit  
 But then we always do.  
 There were sports and clubs, all sorts of things.  
 Busy times, slow times, fun and games  
 And then the year was through.

Now we're Seniors; we lead the pack.  
 And sedate we will have to be  
 So we'll do the same things we did before  
 Cause trouble, solve problems, these and more  
 Until the time we're free.

## Sports Outlook Hopeful

Football, basketball, wrestling, track, baseball, tennis, golf, etc., etc. Almost every day in either the halls or the classroom some comment is heard about one of these sports. This would lead the average person to the conclusion that sports have an active role in the life at JC, and he would be correct. But participation in one of these sports takes a special kind of talent and there are lots of Juniors at Senior High with just that kind of talent.

Although this year was not a straight winning streak — it was a good year. The losses were largely due to having few returning seniors and many inexperienced underclassmen. But next year promises an abundant supply of experienced athletes in almost all areas of the sports world. So look out — here come the JC Jays!

## Behind the Scenes

Senior class officers for 1974 - 1975 were Eddie Cohen, president; Tom "Flash" Edwards, vice president; Randall Templeton, secretary-treasurer. Jeff Sanders, Kim Grice, and Donna Schaefferkoetter were representatives.

The senior class won first place for their homecoming float. In the spring, the seniors sponsored the spaghetti dinner at the All-School Carnival. Tom Edwards commented that "being on S+u Co enabled me to meet new people and learn of the functions of our school government."

# Grads Join Forces

Every year a new batch of JC grads is released to the world. Many plan on a military career of some sort. The military offers a variety of job experiences plus a worthwhile learning experience to high school graduates. Jobs useful to the military as well as the civilian world are learned by today's forces.

The Class of '75 has three people going into military academies, a great honor to them. Will Bradley and Richard Duncan were accepted to West Point and Jeff O'Rourke won an acceptance to the Naval Academy at Annapolis, Md.

Girls today also have the opportunity to go into military service. JC now allows girls into its ROTC program and some eighteen girls enrolled this year. Pam Robinson and Cindy Bias are joining the Air Force; Cindy Goff and Dana Jones are going into the Navy.

Other graduates planning on military careers at this time are Doug Bean in the Air Force in the area of languages and Mike Duncan, Alan Shortal and Richard Russell in the Marines.

## Dancing Holds Promise

Dancing is a form of self expression. No matter what type of dance you prefer, it will relax you and let you be yourself. Dance can be invigorating, soothing, or create a definite mood. But besides that, dancing is a lot of fun!

Annette Crain has been dancing since she was four years old. She has taken lessons from several different teachers and now gives lessons herself. She helps out by teaching at the YMCA and also teaches in her home. She enjoys all types of dancing: jazz, tap, acrobatic, and ballet.

Annette plans to major in dance, starting at SMSU and then transferring to Stephens in Columbia. After college, she wants to dance professionally for a few years and then open her own dance studio.

When asked how she feels about dancing, Annette said, "There are so many types of dancing, and each one is very interesting in its own way. There is a style of dancing for every mood; ballet is romantic, yet disciplined, and jazz or tap is very free, so you can do your own thing."

## THE CHALLENGE

Blessed is the person indeed,  
Who in this life can find;  
A PURPOSE that can fill their days  
And GOALS to fill their mind!

The world is filled with little people,  
Content with where they are;  
Not knowing the joys success can bring  
No WILL to go that far!

Yet, in this world there is a need,  
For people to lead the rest  
To rise above the "average" life,  
By giving of their best!

Would you be one, who dares to try,  
When challenged by the task;  
To rise to heights you've never seen,  
Or is this too much to ask?

This is your day — a world to win,  
Great purpose to achieve;  
Accept the challenge of your goals  
And in yourself, BELIEVE!

You will be proud of what you've done,  
When at the close of day;  
You look back on your battles, won,  
Content, you came this way!

## Seniors Take Econ

Change was everywhere during the '74-'75 school year. Credit values for classes were changed and so were graduation requirements. Old requirements had seniors taking a full year Social Studies course, Contemporary Issues. This year's seniors had a new requirement: a half-year of Economics. The course is meant to give a background in economics, domestic and international, to high school students. This is the first time in the history of Missouri schools that a course like this has been taught to juniors and seniors in high school.

# Vocational Experience

Building Trades is a course designed for boys who are considering an occupation in the field of construction. Each year kids from JC and Helias jointly participate in the building of a house from the blueprint to the final sale. The money which is made is used for the next year's Building Trades class.

All year long the students work three hours each day at the house. Everything, from the frame to the wiring to the bricks and roofing, is done by the students. This program provides students with opportunity to gain actual experience in the building trade for those considering this type of career.

COURAGE

Courage is the best gift of all,  
 Courage stands before everything.  
 It is what preserves our  
 Liberty, safety, life and our homes  
 And our parents, our country and children.

 A man with courage has every blessing.

# Joy in Singing

Everybody has a goal in life to discover, to strive for, and to share with others. Jodi Martin has discovered her goal is music. She has been singing in church choirs since first grade and has taken voice lessons since her freshman year. Jodi has now been accepted to Baylor University at Waco, Texas, with a scholarship for her first year. There are two paths Jodi would like to follow after she has completed college — touring with a musical group or singing professionally and hopefully both.

Currently, Jodi's life is filled with music. Singing for school activities and clubs fill a lot of her time, but she also sings outside of school. Jodi has attended the All-State Choir this year and has sung at Ramada Inn's Music Room for two months. Jodi toured Europe and the U.S. for two summers with the Continental Singers, a gospel group.

Jodi prefers folk gospel music — "Singing and playing the piano often eases me and gives me contentment, plus singing for the Lord changes and challenges other people's lives. That's my purpose — affecting lives in a positive way, if not motivating them to reach higher, and giving them a rest from the world around them."

To dream the impossible dream, to reach the unreachable stars — Jodi Martin is on her way.

JC has given many of us the experiences we need to grow and mature. High school is a great part of growing up in today's world; its role in shaping the individual is becoming greater year by year. There was a time when the individual was almost totally shaped by his home environment. Today, a person's friends and associates in the outside world, school, tend to influence his development as much as the individual's parents or other at-home relatives. Because of these trends, the high school environment must be taken more seriously. At JC, the atmosphere is one without the tension and pressure of big-city schools and yet not ultra-conservative as are many rural schools. Our school is one that provides just the balanced structure the growing student needs as a stepping-stone to college, to the responsibilities of a family, a job, to the rest of his life.

## A Star is Born

Brian Grandison has a bright and exciting future ahead of him. He has been accepted to New York University, a private college also known as the Stella Adler Conservatory of Acting.

This institution is highly selective, being among the top ten drama schools in the country. Acceptance to the school requires a nationwide audition. This audition helps to give students from coast to coast the chance to express their talents in drama.

Overland Park, Kansas, was the setting of Brian's most important audition. He presented a monologue which he had prepared and an improvisational monologue. Following his audition, Brian was interviewed by the school's representative. He was notified of his acceptance within a few weeks.

Brian has a long list of accomplishments at JC including lead roles in both the fall and spring plays. He portrayed Joe in the Operetta, *Showboat*, and won many trophies in Speech and Debate tournaments.

# Senioritis '75 Hits JC

As spring rolled around March 21, something called senioritis came along with it — SENIORitis '75 hit! It became extremely hard to sit still in class, everything became a hassle, and you found yourself lying back and passing time with the well-known 'daydream.' The days passed quickly and soon it was May 22. By then all of high school was in the past for graduates. Through the tears and the distant look on faces, one was reminded of the days of Freshman Homecoming, the Sophomore love affair, the Junior class spirit, or the first day of a year that went by so fast. Suddenly you found yourself not such a big, tough Senior after all. We are going to miss JC and especially such things as ...

- ... the lunchline blob.
- ... the final curtain call of Operetta.
- ... the lack of seating in the lunchroom.
- ... the final seconds of exciting games.
- ... the well-attended remedial lung cancer classes in the restrooms.
- ... the pride of a Homecoming half-time show.
- ... sunrise at 6:30 a.m. Band practices.
- ... the night before term papers are due.
- ... singing "On Jeff City" and the "Alma Mater."
- ... the parking lot shuffle.
- ... "O Holy Night" at Capital Caroling.
- ... the whiplash of crowded hallways.
- ... the special friends you will never forget.
- ... being a part of JC.

# Candlelight Ceremony Opens Baccalaureate

The big and long-awaited day for Seniors began with the Baccalaureate Service. The graduates marched in to the processional, the "Alma Mater" sung by the Choir. Thoughts were reflected in candlelight as the last day began, ending four years of growing up and of learning that were now only memories.

The Reverend John W. Buchanan gave the invocation and the scripture was read by Captain Leonard A. White. The Choir created a solemn atmosphere as they saluted the graduates with the singing of "The Lord Bless You and Keep You," "Let There Be Peace On Earth," and "You'll Never Walk Alone." The Baccalaureate Sermon was delivered by Reverend Ernest J. Newborn in which he gave to the seniors the formula for success: **Service, Unselfishness, Courage, Center to your life, Enthusiasm, Self-discipline, and Sacrifice.** The Benediction was given by Reverend Stephen Buchholz.

A lot of hungry and excited "almost alumni" filled Memorial Park for the Senior Brunch. Watermelon and lots of baked beans were on the top of the menu as everyone enjoyed the entertainment, the food, and the friends.

*Sing praise to our Alma Mater,  
True to her we'll ever be;  
The red and black will always wave  
Over JC, JC.  
All hail! All hail!  
Keep her colors high above;  
Our honor and devotion pledge  
To thee whose name we love.*

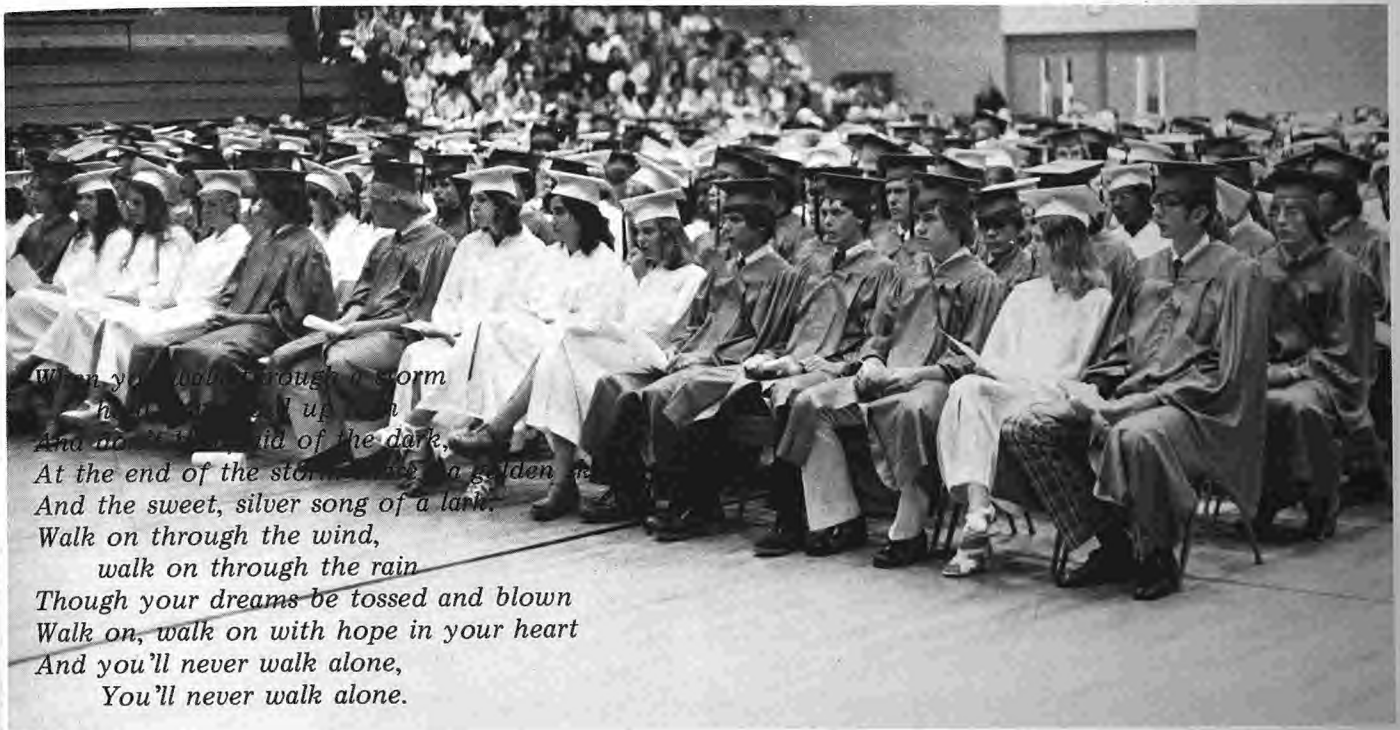

"ALMA MATER" candlelight ceremony honors graduates and opens the Baccalaureate Service at JC.

AFS STUDENT, Bryce Craig, takes part as an accomplished graduate.

PREPARING THE WATERMELON for the ravenous seniors are Miss Raithel and Mr. Phillips.

FOR SALE? Seniors step down to the Class of '76.

*When you walk through a storm  
 Don't despair and don't give up.  
 And don't stand in the middle of the dark.  
 At the end of the storm, there's a golden sky  
 And the sweet, silver song of a lark.  
 Walk on through the wind,  
 Walk on through the rain,  
 Though your dreams be tossed and blown,  
 Walk on, walk on with hope in your heart,  
 And you'll never walk alone,  
 You'll never walk alone.*

**SENIORS' FACES** reflect song's meaning.  
**PASSING THROUGH THE LINE** at the picnic are Jerry Blankenship and Alan Eubank.  
**HURRYING** to beat the crowd, is Maggie Meier after Baccalaureate.  
**FILLING UP** at the Senior Brunch are Kay Siu, Amy Summers, and Tracy Truesdell.

In order of their ranking the following completed the top ten: Emily Leonard, Rita Bax, David Shipley, Colette Cross, Mary Brenneke, Loran Prenger, Bryan Forbis, and a tie between Jane Hicks and Connie Webster for tenth.

# Graduates—The Promise of Tomorrow

The 101st graduating class of 476 seniors, the largest class honored in JC's history, marched around the track to the processional, "Grand March from Aida," on the evening of May 22. The Honorable Richard H. Ichord gave the Commencement Address. The Alumni Citation was awarded to Mrs. Adelaide Tweedie by Miss Carolyn McDowell. Reverend David D. Shipley gave the Invocation and the Benediction. Mr. Marvin Fleming announced honors and awards and then presented the Class of 1975. Mrs. Jerena Giffen awarded the diplomas to the graduates. "America" and "The Alma Mater" were sung and the graduates marched out to the traditional recessional, "Pomp and Circumstance."

After Commencement, the day continued into early morning hours as the Seniors of '75 celebrated with an all-night party at Westgate Lanes. The company of old friends was enjoyed as this was the last time together as a class.

Tears were in the eyes of many, but hearts were gay and light. How short a time it seems that a class first enters the doors of JCHS. Heads and hearts were high as their aims were high. Mixed feelings filled hearts when the year began and gradually rose to the throat as the year progressed. Seniors paused to say good-bye to JC, who saw them come as children, but leave as young men and women, ready to face the future as the promise of tomorrow.

"NOW, if I make it down the steps without tripping and don't lose my cap, I'm home free and it's all over!" contemplates Rita Bax. GRADUATES have mixed feelings as they wait to receive their diplomas. EVEN CRUTCHES didn't stop Ernie Newborn!

RECEIVING HER DIPLOMA from Mrs. Jerena Giffen is Tricia Jones.

ALL-SCHOOL SERVICE AWARD was presented by Mr. Fleming to John DeClue.

TRACK PROCESSIONAL has become traditional at JC and this special moment is expressed on the faces of Marcia Wright and Steve Weston.

ADDRESSING the graduates and audience, Mr. Fleming presents the Class of 1975.

**“Only through acquaintances with a variety of people and situations can life be seen at its fullest.”**  
Cheryl Seidel

# PUBLIC RELATIONS

People.

Meeting people, relating to people, understanding people, involves each one of us every day of our lives and is necessary in the world in which we live.

Public Relations takes JC students into the community where we become involved with people in community services and projects, employment, and as consumers.

Relating to the public provides opportunities for students to include the community in school activities and create a favorable image of the Jefferson City Public School System.

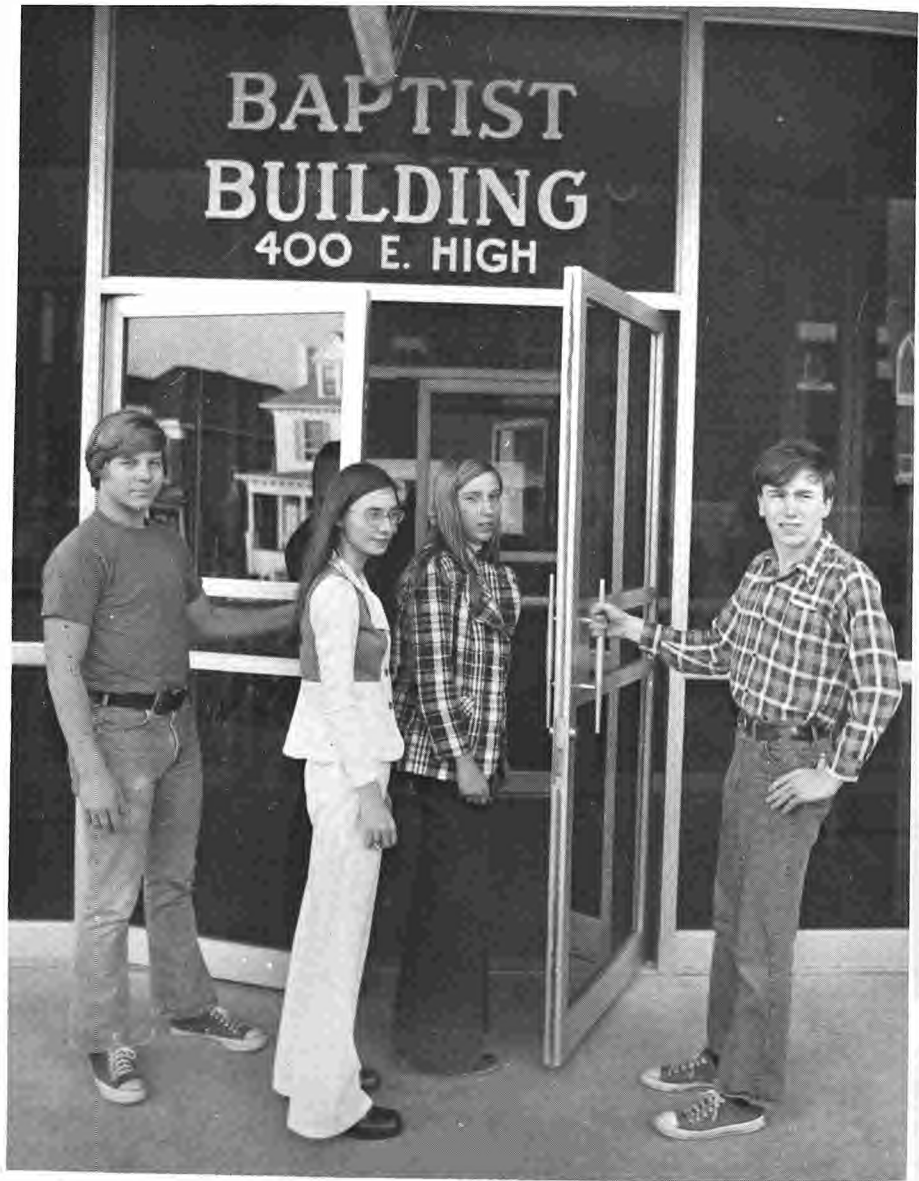

The quality of education is dependent upon a good public relations program; consequently we benefit from the acknowledgement and support of the public.

It is important that we, as high school students, establish a good rapport with the general public.

## Editor's Note

# Efforts Of Many, Thanks To All

"A yearbook never forgets," and as editor of the 1975 **Marcullus**, there are experiences, people, and days, that I will never forget either. With another year's work finished and a yearbook successfully completed, I am surrounded and filled with many emotions and thoughts. It is with an extreme amount of pride that I recall what this year has been and what has been captured within these pages. Serving as editor of the **Marcullus** has and always will be something very special to me because the valuable rewards and pleasures I have known will remain with me always. In presenting the book of '75 it is my hope that each student will rediscover some part of his life and his year at JC inside its cover and that the memories he recalls will fully represent the experiences and feelings of a year in this high school.

There are some individuals without whom the yearbook could not have been produced and to the dedicated members of the **Marcullus** staff I give my sincerest thanks. As this book is a part of me, they, too, have become a part of the book. Their contributions are greatly appreciated and without one individual the yearbook would be different because everyone gave of himself to make what we have now. We laughed over this book. The "it's been a long day" laughs, the strange ideas, the adventures and perils of the darkroom, and

the unusual eating experiences all led to the good times. But we cried over this book, too, and the hard times came with problems, deadlines, 7:00 a.m. Saturday morning sessions, and pictures and copy that wouldn't fit — no matter how you turned them. Be it good or bad it was an experience full of memories that will always be cherished.

My special thanks go to Miss Bish whose advice and dedication contributed positively to the yearbook. As advisor she guided the staff and helped us to achieve the goals we were reaching for. I thank her not only as our teacher, but as our friend. I would also like to thank Mr. Wright for taking pictures and Mrs. Crews for typing copy during odd hours. Their help and their time has been a great asset to our efforts.

My final thanks go to each of you, the student body, because it is only through your participation and involvement at JC that the many memories we have are possible. We get out of life what we put into it. I hope the 1975 **Marcullus** truly represents what was put into this year and is proof of what we gained through another year of high school, another year of life.
